JIGSAW

The porcelain ceramic mosaic shape can be used in various ways to create a playful statement while achieving a decisive design aesthetic. The scale of the porcelain ceramic puzzle pieces makes it ideal for backsplashes, counters and bar-face applications as well as for feature walls while additionally the matte version can also be used for floor applications. Try a cheeky checkerboard pattern or drop polished inserts into a field of matte porcelain tiles to add some extra pop.

Material: Porcelain Ceramic

Finish: Matte

Colors: Ultra White, Jet Black

Size: 12"x12" nominal sheet mounted mosaic

Thickness: $\frac{3}{8}$ " nominal
