

ASSEMBLY INSTRUCTIONS

For All Round Acrylic and Glass Top Tables

Parts Included: Leg Assembly

[1-Upper Half w/ Higher Center Support, 1-Lower Half w/ Lower Center Support]
Acrylic or Tempered Glass Table Top

Step 1

Insert upper half of leg assembly into lower half by sliding it down until center supports meet as shown above.

Step 2

Stand table top on edge on a non-abrasive surface, with surface top against body. Insert leg assembly into table rim with spring-loaded caps down. Press down on spring caps to insert opposite table legs into rim.

Spring-loaded caps.

Completely assembled table.
