

PRODUCT DESCRIPTION

Cheerful in design, the Chapeau nods its domed cap at the brasseries of Paris with influences of Dutch modern trends. Contemporary Satin Brass metalwork contrasts with wrapped leather accents that terminate at translucent glass domes and opal white glass globes. The inner glass globes softly diffuse LED light sources and accentuate the round forms of the outer Clear glass shades. Knurled accents secure the fixtures to their mounting plates, adding some industrial flair. The larger-scaled wall sconces playfully curve out from the wall to give interest and extend out from the wall better illumination. Mat Sanders demonstrates his knowledge of vintage archetypes in a refreshed composition with pop appeal.
