

Desk Installation

• After opening the package, please find the following parts.

Adjustable foot pad

Screw gasket

screw

Hexagonal wrench

• Each dining table has pre-drilled holes on the underside (as shown in Image 1). Fix the table legs to the tabletop using screws at the positions indicated by the arrows.

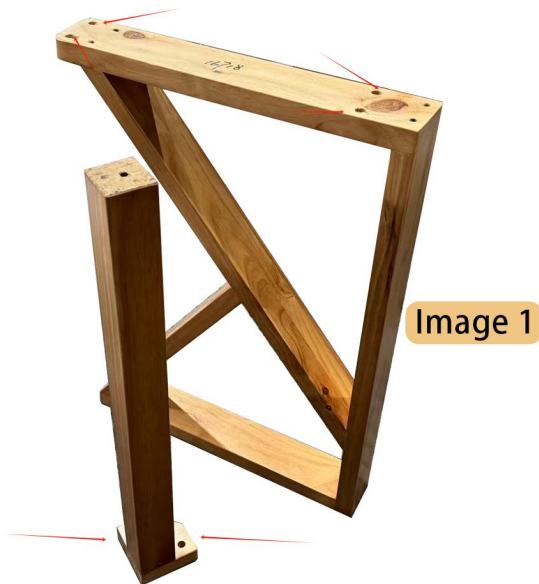

Image 1

• Pull out the first drawer from the side cabinet. Secure the drawer to the tabletop using two short screws at the pre-drilled holes (refer to Position A1 in Image 2).

Image 2

• Install the adjustable leveling feet into the pre-drilled holes at the bottom of each table leg to complete assembly (refer to marked positions in Image 3).
