

INSTALLATION INSTRUCTIONS

INSTALLATION INSTRUCTIONS

Step 1

Prepare a front panel,
two side cabinets, and
a tabletop panel.

INSTALLATION INSTRUCTIONS

Step 2

**Align the front panel
with the left cabinet
and the right cabinet.**

INSTALLATION INSTRUCTIONS

Step 3

Fix the two sides with screws, aligning with the corresponding holes.

INSTALLATION INSTRUCTIONS

Step 4

Align the desktop panel above the positions of the two side cabinets and the front panel.

INSTALLATION INSTRUCTIONS

Step 5

Fix it with screws at the corresponding drilled positions, and the installation is complete.
