

LEOPARD LIGHTS LINEN FABRIC

A spirited reimagining of the classic leopard motif, Leopard Lights brings a playful rhythm of dappled spots and painterly bursts to the surface. Scattered across a luminous ground, the pattern pulses with unexpected color—layered greens, citron, coral, and pink—outlined in bold inky strokes that feel both graphic and organic. The effect is wild, joyful, and unmistakably Ardmore. Printed on a refined linen-viscose blend, the linate base cloth offers the natural texture and breathability of linen with the subtle drape and softness of viscose. It is beautifully suited for upholstery, drapery, and statement soft furnishings, where pattern and provenance take center stage.
