Step 50

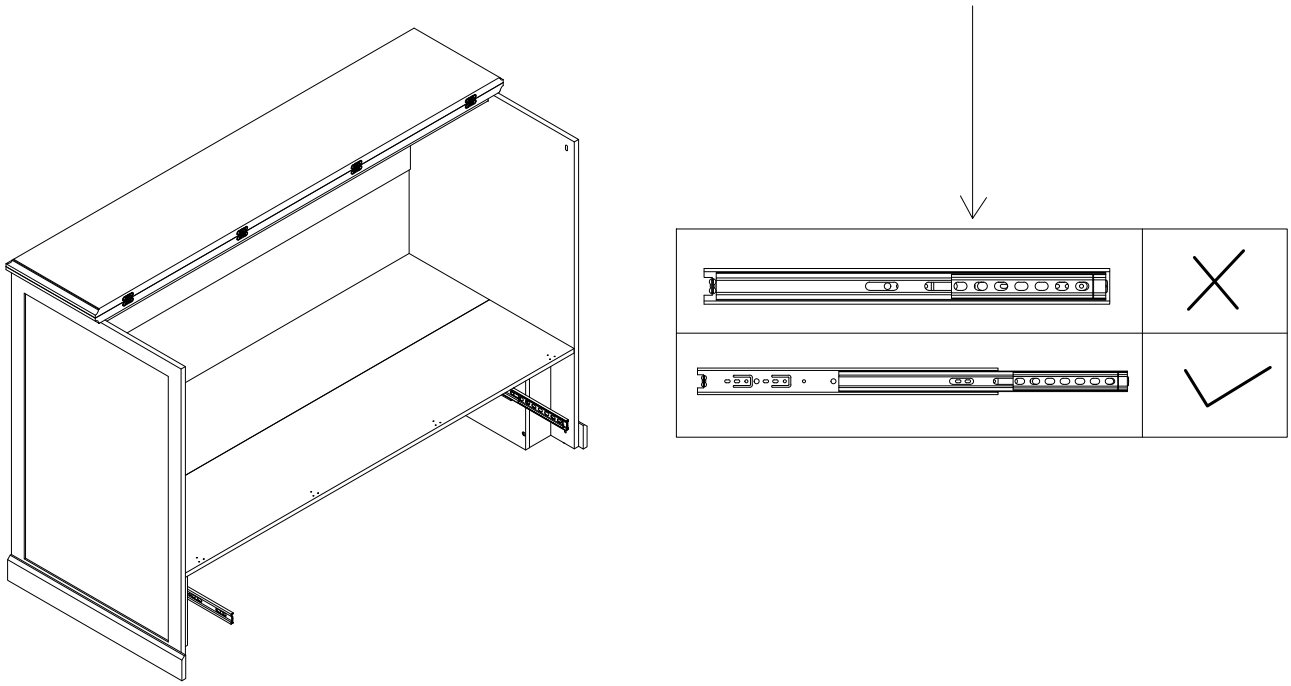

Assembly Instructions

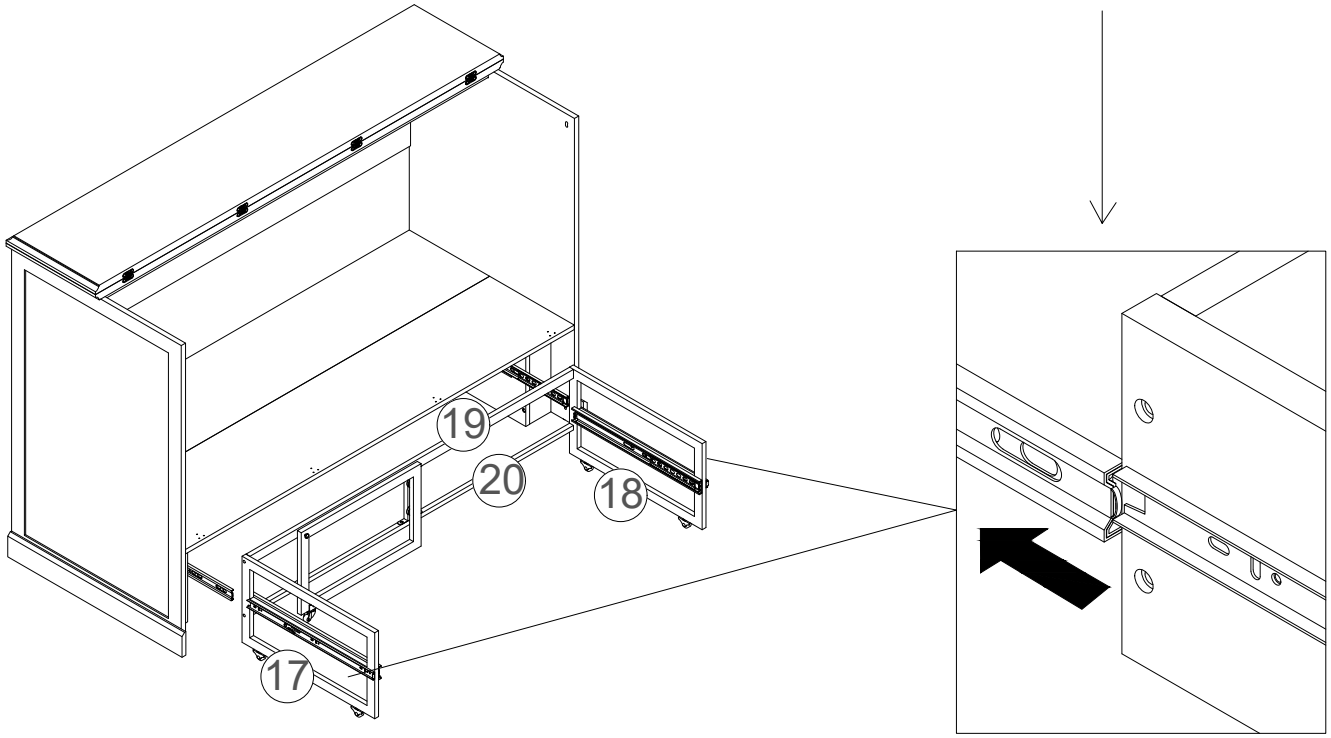

Step 51

1.Check Before Installing: Ensure the rails are secure and ball bearings are in place.

2.Prepare: Slide the ball bearings to the front of the rails.

3.Align & Insert: Line up the drawer rails with the main slides and insert both sides at once.

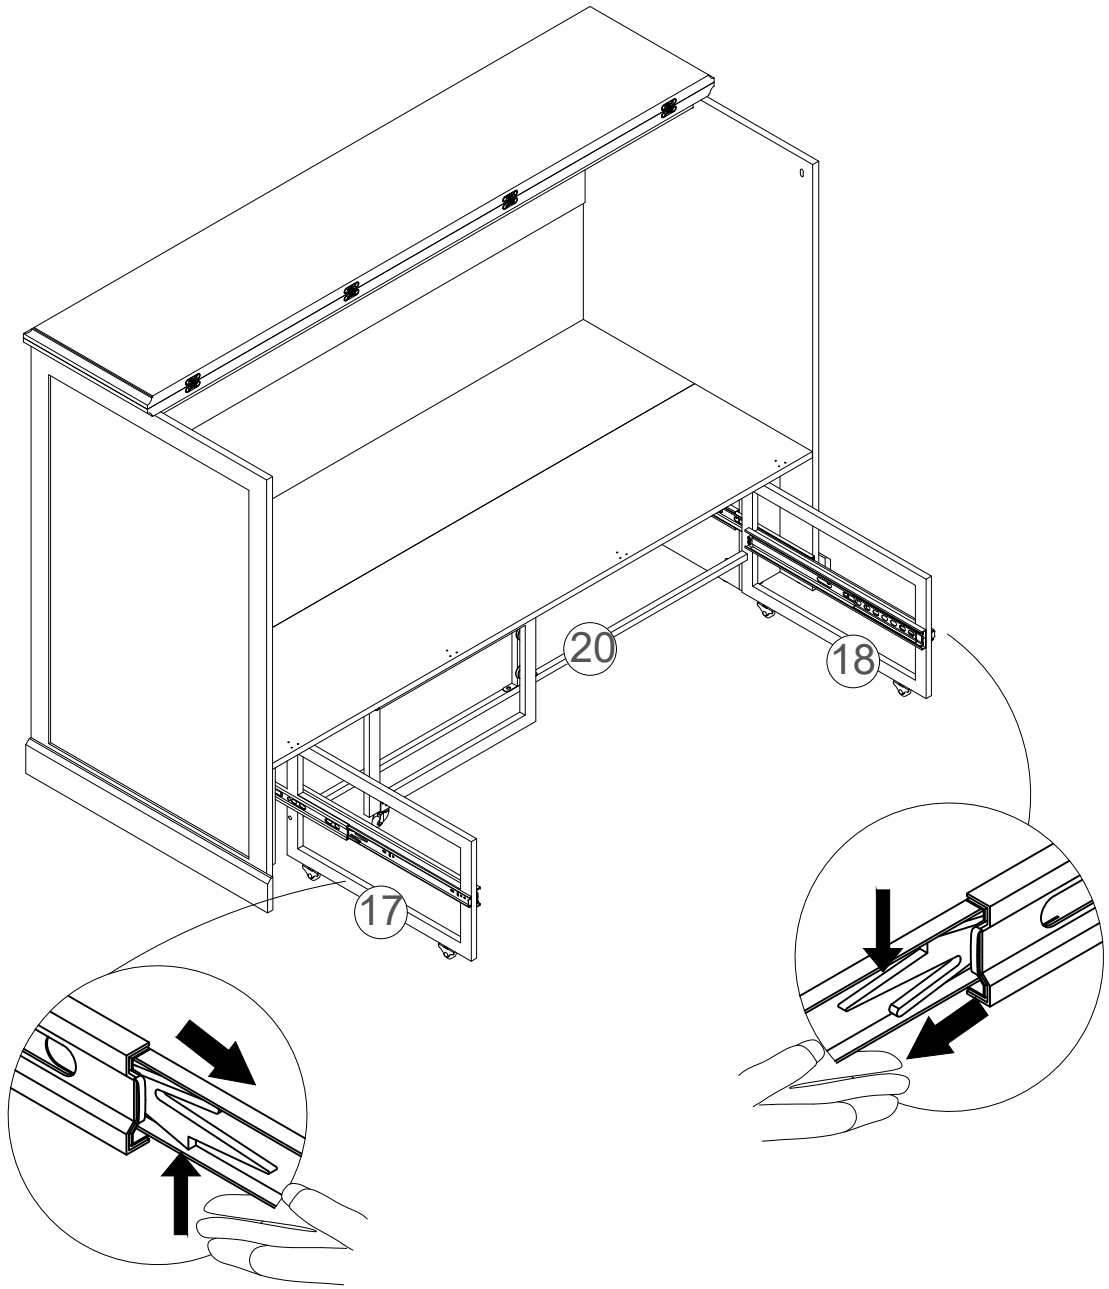

If the drawers do not go in smoothly please remove and repeat Steps 1-3.

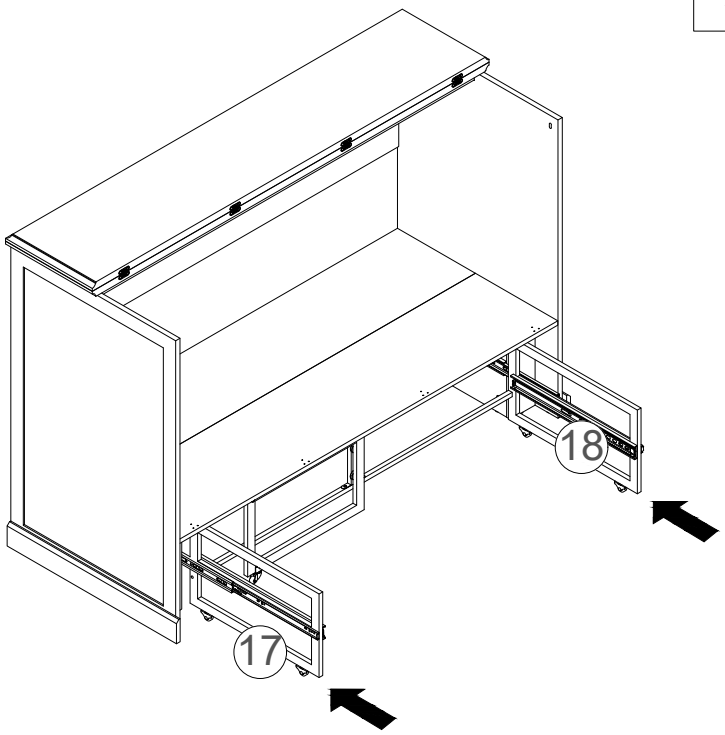

Step 52

To Remove the Drawer:

1.Fully extend the drawer.
2.Push the left release latch up and the right one down.
3.Pull the drawer out while supporting it.

Step 53

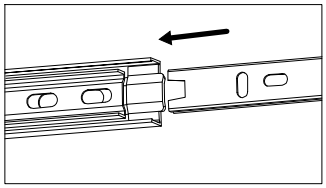

Two people are required to assemble and move this model.

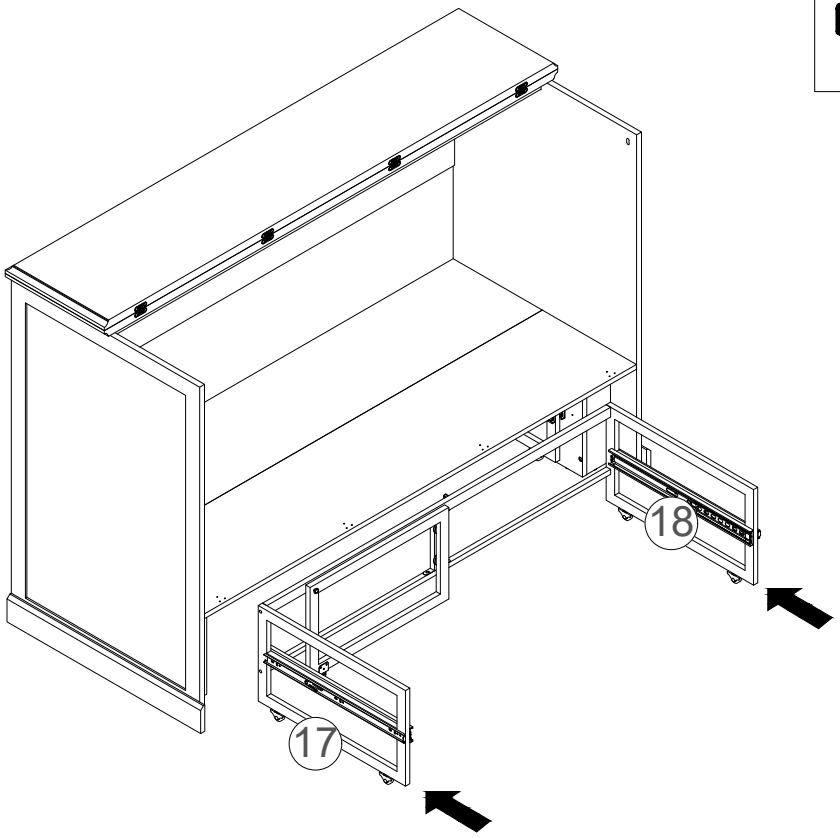

Attention:

1.Align the slide runners on the drawer with the unit and push it carefully inside until it stops.

★ If the drawer does not go in smoothly please take it out and repeat the step.

Step 54

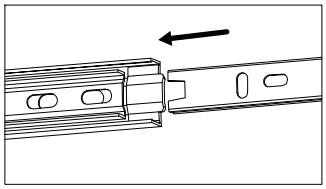

Two people are required to assemble and move this model.

Attention:

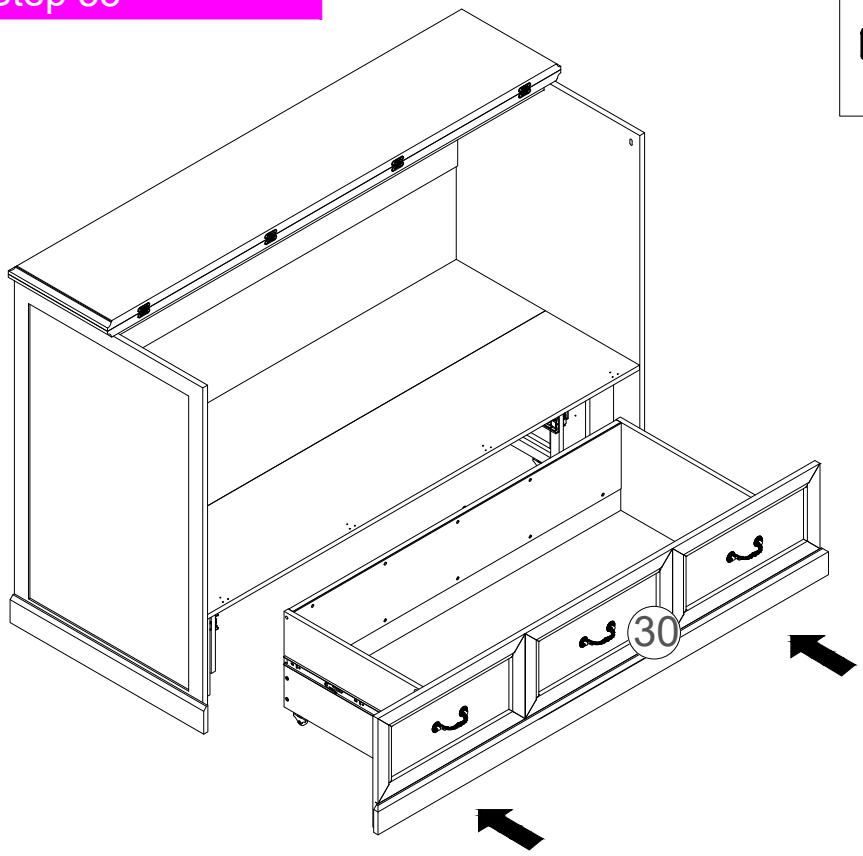

1.Align the slide runners on the drawer with the unit and push it carefully inside until it stops.

★ If the drawer does not go in smoothly please take it out and repeat the step.
