Toxin Free & Allergy Proof

Our mattress foam is CertiPUR-US® certified, and the included waterproof mattress protector keeps allergens out.

Cradling Support

Unique cradling technology to reduce restless movement and uncomfortable sleep positions.

Waterproof

Our waterproof, stain-resistant mattress protector and our water-resistant cover make sure accidents will always be what they should be—no big deal.

Temperature Responsive

With an open-cell structure to enhance air flow, and a Dual Phase Change Gel that adapts according to a child's unique temperature regulation needs.
