Since our establishment in 2016, sweet time Wooden Home has been dedicated to creating high-quality and authentic wooden home furnishings. Our skilled craftsmen use traditional woodworking techniques to transform the natural beauty of wood into unique, functional pieces that add warmth and character to any home.

Premium Materials

Sweet time adheres to the highest standards of quality and sustainability when crafting furniture. For instance, we exclusively use the finest wood sourced from sustainable forests in Shandong, China. This commitment ensures that we only use the best materials to create our furniture.

Finishing Touches

The surfaces of sweet time furniture undergo multiple layers of finishing, resulting in an elegant and refined appearance. We take pride in our meticulous craftsmanship to provide the best possible finish for our furniture pieces.

Non-Toxic Furniture

Sweet time values the health of your children, which is why all our furniture complies with international safety standards. Our furniture is designed to be more durable and sturdy, ensuring a safe and healthy environment for your family.

Natural Color Variations

Many sweet time furniture pieces are made from solid wood or partially solid wood, which may result in natural color variations between products. This is a natural phenomenon, as wood is a living material. All sweet time furniture is crafted from natural products, which may exhibit these natural color differences.

Excellent After-sales Service

If you find that the accessories are missing, please contact us immediately. We will provide you with the perfect solution to ensure your satisfaction with our products.

MAINTENANCE INSTRUCTIONS:

Cleaning with a wet cloth, use a sponge with soap to remove obstinate dirt.
Avoid solvents and dilutions.
Screws and bolts should from time to time be retightened.
