

STUDIO PLEAT ORIGAMI LAMPSHADE HOW TO ASSEMBLE:

- 1- keep the paper that hold the lampshade.
- 2 -Open the metal ring.

- 3 - Put the ring around the wire and close it.

- 4- close the edges of the shade allowing the magnetic clamps to get together

USE ONLY LED LIGHT

1. LIGHT BULB : Use only LED light with max 8w- we suggest the warm white with less than 900 lumens. Not included
2. CLEANING: Use a dry and soft cloth and gently clean the pleats of the shade.
3. Never wet the paper
4. Place in a dry shade area, away from humidity that damage the paper.
