

INSTALLATION INSTRUCTION

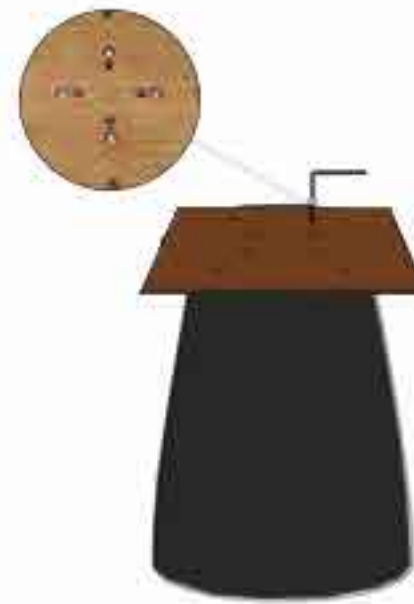

- ① Check the integrity of the outer box after receiving the package.

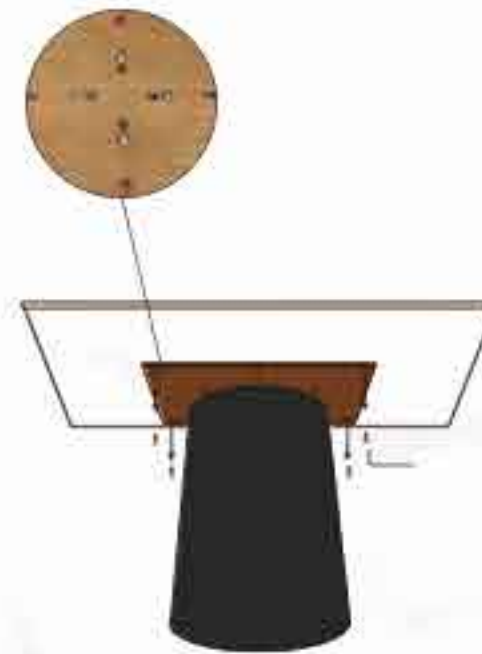

- ② Then let us start unpacking the boxes.

Note: Need to unpack and inspect all items: tabletop, connecting plate, and base.

- ④ Place the connecting plate on the base and secure the connecting plate and base with screws.

- ⑤ Align the holes on the connecting plate with those on the sintered stone tabletop and use a screwdriver to install the screws.

(Tips: It is recommended not to tighten each screw too much at the beginning. When you get to the last screw, tighten the screws that are not tightened in front.)

- ③ Align all the holes on the desktop, connecting plate, and chassis

- ⑥ Assembly completed.
