ASSEMBLY INSTRUCTION

FS483#Floating Shelves Series

Note:

-This product is made of metal. Minor scratches and slight color variations may occur on the surface during production and transportation. These are inherent to the mass-production process, and we appreciate your understanding.

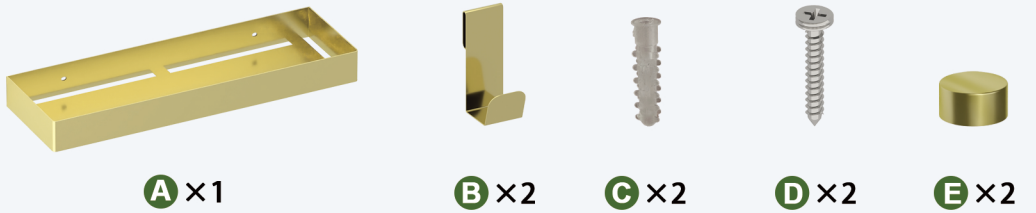

-Slight variations in color between the product image and the actual item may occur. This is a normal characteristic of photography and screen display technology.

-This assembly manual is applicable to FS483#Floating Shelves Series products of different sizes and colors.

-If you have any questions about this product, please contact us in time. We are more than happy to help you .
