

Congratulations on receiving a Creative Home stainless steel tea kettle. Please follow these simple steps, to ensure that you will enjoy many years of using this stainless steel tea kettle.

1. When ready to use for the first time, wash out the inside thoroughly with mild soap and warm water.
2. To boil water, the tea kettle should be placed on the stove with a medium flame no larger than the bottom of the tea kettle.
3. After you have finished pouring, make sure that there is no water left inside the tea kettle and wipe dry.
4. On occasion for added cleanliness pour 2 tablespoons of baking soda and a little bit of lemon juice into the kettle, add water, and bring to a boil.
5. Do not use any harsh abrasives such as steel wool to clean on the inside or outside.
6. Never put a flame to an empty tea kettle or in the dishwasher.
7. It is recommended that you use a pot holder or oven mitt when pouring.
