Notes

1. Please make sure the power supply is disconnected before assembly.
2. Please do not touch the bulb or look directly at the lit bulb when the fixture is turned on, and keep flammable materials away from the table lamp.
3. Please use the lamp with the applicable voltage and clean the lamp regularly. Please cut off the power supply when you clean the light or replace the light bulb.
4. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before ordering.
