Notes

1. Please read the instruction manual carefully before using this product and keep it properly.
2. Please note that this product has a fixed spray time of 60s and the intensity of the spray depends on the pause time (300s, 180s, 60s).
3. Please keep the machine vertical. Tilting or flipping the machine will cause oil leakage and damage the machine.
4. If you are not a technician, please do not modify/disassemble or repair the machine. If the machine breaks down, please contact us.
5. Essential oils are not included. Please prepare essential oils in advance.
6. The machine needs to be cleaned when the following conditions occur: 1) You are ready to change to another essential oil for use; 2) The atomization volume is getting thinner and thinner.
7. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before you order.
