- If you have any problems, please feel free to contact us.

How to install?

- Steps 1: Position the slipcover over the sofa with the label at the back
- Steps 2: Pull the fabric evenly over the sofa, and push white sponge cylinders in spaces between the cushions, shaping the cover to the sofa and keeping fabric tight
- Steps 3: Tilt the sofa up and find elastic ties. Pull the front and back ties together tightly and tie. Pull the side ties together and tightly
- Steps 4: Put the sofa down and pull cover tight, pulling any excess fabric to the back
- Steps 5: Enjoy your newly covered sofa!
-

Plz pay attention:

- Do not use bleach and wash it with same/similar colours
- Due to different shooting situations and digital monitors, colors of product show in pictures above may be a little different than in reality.
- The entire batch of fabrics is printed, and the patterns may be in different positions. this is normal, hope you understand
