Small Double & Double

Assembly Instructions

Before you begin...

- 1. Please check in your desired room of use.
- 2. Unpack all boxes and lay out each component on the floor.
- Check your product for any damage that may be immediately obvious. If damage is identified, please contact your retailer.
- Please read through these instructions thoroughly to ensure you have constructed your bed correctly.

For Care and Maintenance of your bed...

- · Always assemble in your desired room of use.
- Always check all screw and fixings periodically to ensure they are still secure.
- Do not push or pull this bed as it will cause damage.
- Always lift this bed with a second person to prevent damage or injury.
- Keep any sharp objects away from this bed frame.

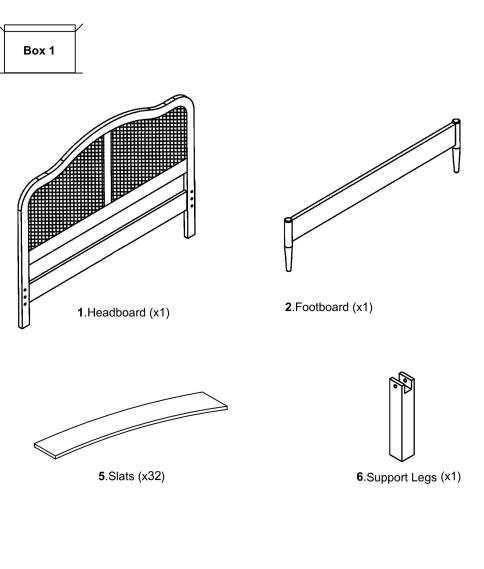

For your Health and Safety...

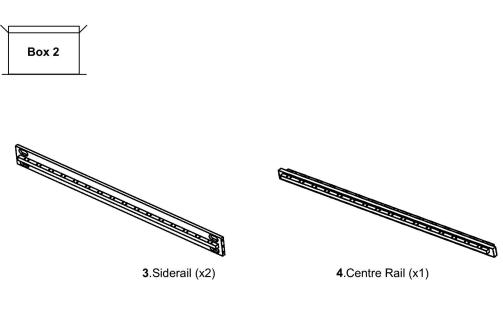

- · Please don't not jump on this bed.
- Do not use this bed if you find missing, damaged or worn parts. Please contact your retailer.
- Please do not use this bed until you have fully secure all fixings.
- Please keep all small components away from children
- Please ensure this bed is on an even, level surface.

Also...

If your desired room of choice has a non-carpeted surface ensure please that you use some form of anti-slip protection and do not place directly on the wooden floor. This will prevent the bed from moving and therefore collapsing which will void your guarantee...
