The subtle center of attention

About The Vanity: The Province 24" White and Silver Vanity with Pure White Quartz Top and Ceramic Basin will establish a luxurious feeling in your bath. It features a white matte finish with silver metallic inlay and details in its two soft-closing doors. Included is a polished quartz countertop with a backsplash and a ceramic basin. At 24-inches, it's perfect for smaller baths.

A vanity that holds your attention

For a bold piece with a commanding presence, choose the Province Vanity Collection. This freestanding furniture-style vanity has a stately appearance over its durable wood construction, with three rich color options, hand-set metallic inlay in its doors, and slender legs. Your choice of a polished stone countertop—either Carrara marble or quartz—completes the look.
