## Notes

1. Please check the dimensions of the product before ordering to ensure it fits your home.
2. The lamp body is designed in parallel, and partial damage will not affect the overall use.
3. Fully dimmable when used with a dimmable bulb and dimmer switch (all are not included).
4. Please be aware that the bulb is not included in the package, you need to prepare an E26 bulb yourself. Bulb Requirements: Use E26 Bulbs, Maximum 60watts, Options Include Incandescent, Fluorescent, LED, Halogen, etc.
5. Please make sure that the power supply has been cut off before installation, and conduct a power test before installation. When installing, please wear electric insulation gloves(not included) and avoid scratching the surface of the lamp plate. The product must be hardwired, and it's recommended to install this product by a professional electrician.
6. Please use the lamp within the applicable voltage range and clean lamps regularly.
7. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before ordering.
