PTG_338A RIDE ON CAR

⚠ WARNING:
- RIDE OF FIRE. Do not bypass fuse. This may overheat and damage the electrical system. Replace only with orginal fuse and rating.
- This toy is unsuitable for children under 3 years due to its small parts.
- The included battery is not rechargeable.
- Non-rechargeable batteries are not to be recharged.
- Never mix old batteries with new batteries or mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
- The cord and pedal(s) should be the first warning carefully. Make sure all wheels are locked in place before use.
- Check periodically and keep the fuse(s) dry.
- Only adult should assemble. Always keep children away while assembling. Sharp edges may be present.
- Remove all packaging materials before assembly.
- Only use on smooth surfaces indoors (avoid carpets) and on flat, level ground outdoors.

⚠ WARNING:
- Recharge the battery when operation is left unused for long periods and recharge it every month at least.
- Never leave a child unattended, always keep a child away when in use and keep away from sources of fire.
- Always supervise children when they are near the ride. Show them how it operates.
- This product is not intended for commercial use.
- The cord and pedal(s) should be the first warning carefully. Make sure all wheels are locked in place before use.
- Only use replacement batteries provided/specified by the manufacturer.

⚠ WARNING
Battery posts,terminals and related accessories can expose you to chemicals including lead and lead compounds, which are known to the State of California to cause cancer and birth defects or other reproductive harm, and are toxic and can cause severe illness if swallowed. Wash hands after handling. For more information go to www.P65Warnings.ca.gov.
