

Ovente Electric Toaster Oven (TO6895 Series)

Key Features

HIGH-PERFORMANCE – This Electric Toaster Oven features a 700-watt heating element that is perfect for cooking, baking, or toasting.

9.5 LITER CAPACITY – Large capacity oven for making big-batch cooking. Enjoy baking pizza or toasting bread for your big circle of friends!

TIMER AND TEMPERATURE SELECTOR – With built-in timer knob that lets you select the right cooking time setting for up to 60 minutes, and thermostat knob that lets you set your ideal heating temperature.

EASY-TO-USE OVEN – Using this Electric Oven Toaster is made easy with its LED indicator light that illuminates when the oven is turned ON, tempered glass door for easy viewing of your favorite food while cooking, and cool-touch handle that secures grip and protects hands from heat and injuries.

PACKED WITH ATTACHMENTS – Comes with a removable aluminum food tray that fits securely for optimal cooking, and a grill rack that captures oven heat, so that your food cooks from top to bottom.
