Reinhardt 36" Round Glass Top Marble Shelf Gold Metal Base Coffee Table SKU: 67804

MARBLE, METAL AND GLASS

This coffee table features a thick, beveled glass top with curved, iron supports that hold a round, marble shelf suspended in the center.

WHITE AND GOLD

The white marble shelf has creamy undertones with gray and beige veining throughout, while the iron base features a beautiful, antique gold finish.

*Marble is a natural material. Each piece has its own beautiful intricacies, and some may carry naturally occurring fissures. Please expect variations in color and texture.

AIRY AESTHETIC

With an airy glass top and metal frame, this piece won't take up too much visual weight in a room.

ART DECO ELEGANCE

The combination of metal, marble, and glass speaks to the anti-traditional elegance of the 1920's and is the perfect way to add a touch of visual drama and swank to a space.
