Warning: California Residents Proposition 65
This product contains lead, a chemical known to the state of California to cause cancer and birth defects or other reproductive harm. Do not place the product in your mouth. Wash your hands after handling this product.

Caution: It is highly recommended to get an electrician to install this light. Please make sure to turn the electricity off at the main circuit breaker before beginning installation. All glass is fragile. Use care when handling glass component(s) and/or lamp(s).

A line drawing of a rabbit-shaped lamp. The rabbit is standing on a rectangular base. A cable with a power plug is connected to the base. Label A points to the base, label B points to the rabbit's body, and label C points to the lampshade.

- Note: On the rabbit's chest there are magnets; In this way, the magnet can attract the iron ring of the shade and therefore the shade can stay under the arms.**
