

STANDING DESK CONVERTERS

STANDING DESK CONVERTER (WHITE)

Convert your existing desk into a standing desk. This standing desk converters' ergonomic two-tier design offers a spacious 32-inch wide top shelf for single or dual-monitors and a second shelf for a keyboard and mouse. With zero assembly required, users can simply place the desktop converter on any surface and enjoy the flexibility of sitting or standing throughout the workday. With a sturdy steel frame and pneumatic air cylinder, this sit to stand desk smoothly and effortlessly adjusts to its maximum height of 15.5" in seconds, while a spring-loaded bumper allows gentle lowering. Deliver a high-quality, affordable solution and change the way your customers work with the Standing Desktop Converter.
