TITLE

260 Gallon Fish Tank with Premium Tempered & Ultra-Transparent Glass (Complete Aquarium Setup) White with Silver Trim

Standard Price: \$5999

Key Product Features:

1. The fish tank is made of high-quality low-iron tempered ultra-white transparent glass ("crystal glass"), which can withstand the damage and impact in daily life, and is very durable. Resistant to scratches, fingerprints, and acids/alkali. The visible light transmittance is greater than 91.5%. The thickness of glass: 0.47 inches.
2. The frame of the fish tank is all metal to resist saltwater erosion. It will never deform or fade. Dimensions(inches): 78 (L) x 26.8 (W) x 32.3(H). Water Actual Capacity: 210 Gallons. Including professional aquatic LED tri-color lighting source. It can breed marine life, corals, Arowanas, aquatic plants, and landscape water features. Add a sense of luxury to your home or office.
3. Products include cabinet, water pump (65W 1717 GPH), and filtration system with filter media. The dimensions of the aluminum all-metal frame are: 78(L) x 26.8 (W) x 29.5(H) inches. The frame can resist tension and torque deformation caused by heavy loads. Corrosion-resistant, easy to clean and maintain. Can keep the water clean for a long time.
4. Inner size of filtration system sink(inches): 61.6 (L) x 14 (W) x 14 (H), Water Actual Capacity: 50 Gallons. Fish tank All glass is bonded by German original ultra-long-lasting

biophilic silica gel, which can resist saltwater erosion for up to 20 years.

5. The most fashionable design in 2021, White with Silver Trim, every detail reflects the modern design concept. and you can clearly see each aquatic plant. The pet fish swims gracefully in front of you. A better immersive experience. Give your pet water creatures a hide and relax luxury home. Product weight: 756lb. Water Total Actual Capacity: 260 Gallons.
