Installation Notes

Install this product according to the installation instructions.

Do not install this seat in a location where: (1) water might be splashed on the product or (2) excessive moisture, high humidity levels, or condensation is present. This will avoid damage to the electronic components.

Do not use an extension cord with this product.

To avoid possible product malfunction, do not plug in the seat until instructed to do so.

Locate the receptacle at least 6" (152 mm) above the floor, and within a 32" (813 mm) radius measured 2" (51 mm) from the bowl ledge.
