

PLANT STAND INSTRUCTIONS

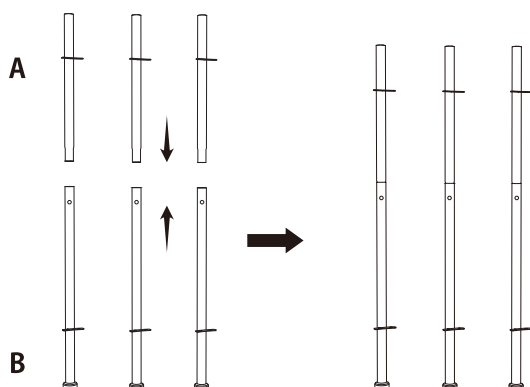

⚠ Make sure all the parts are in correct quantity. Any parts missing, please feel free to contact us.

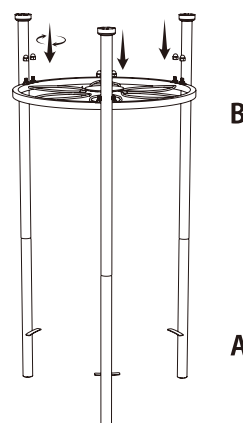

Before installation,
unscrew the screws from the round frame first.

Installation Steps :

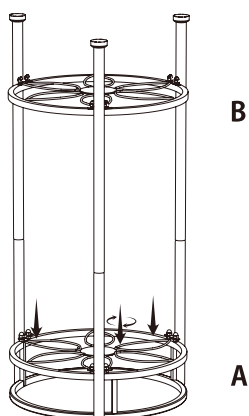

STEP1 Install A to B

STEP2 Install the bottom round frame first.

STEP3 Install the top round frame. Insert 3 legs into the round holes first, and then tighten the screws.

STEP4 Tighten the screws again with the provided wrench. It's all done!
