This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

NOTICE : Please retain instructions for future needs.

- Do not stand on or use any parts of this item as a step ladder.
- Fasten screws loosely during assembly. Do not firmly tighten the screws until the item is completely assembled.
- Double-check all the bolts, screws, and knobs have been firmly tightened before use.
- To prevent items fall apart, please regularly check if all bolts, screws, and knobs are secure.
- Do not use or store this item in the proximity of open flame or flammable/combustible chemicals.
- Be aware that some parts are heavy and have sharp edges when assembling and using.
- Do not use this item in a way inconsistent with the manufacturer's instructions as this could void the product warranty.
- This item is made of wood and may expand due to moisture.
- When using an electric screwdriver for installation, pay attention to controlling the torque to avoid damaging the screws or the wood board.
