

# CONGRATS!

YOU'RE NOW THE OWNER OF A BEAUTIFUL PIECE OF ART.

## DID YOU KNOW?

We are a think-outside-the-box home furnishings company supporting artists worldwide. We handmade everything at our creative funhouse in Denver, Colorado as soon as it's ordered. Bonus! The design you chose can be ordered on anything from a duvet cover to a shower curtain, throw pillows, wall art and more. Shop that and so much more for your home

## CARE:

This is an heirloom piece of furniture that will bring joy for generations. Nurture your credenza by using coasters for any beverages needing a rest. Treat wood with any generic wood cleaner and polish using a non-abrasive rag for extra love.
