

Dualit®

SANDWICH CAGE & WARMING RACK

The Dualit Classic Toaster combines simplicity and sophistication perfectly. With extra wide 28mm slots to accommodate a **Sandwich Cage** and the award winning ProHeat elements, a patented design which increases toasting efficiency & element longevity, every toaster has a removable crumb tray and an adjustable rear foot. The **Warming Rack** is adjustable to work with any of the Dualit Classic Toasters and is exceptionally useful for warming items up without having to put them into the toaster itself. The sandwich cage which has a built in drip tray, can be purchased as an accessory. DUALIT worldwide sells one sandwich cage and a warming rack with every toaster sold.
