

Assembly Instructions

We reserve the right to make changes for the purpose of technical improvement.

Safety Precautions

Reading Instructions: Please read the assembly and user manual carefully before assembly or use!

Delivery Instructions: After assembly, please hand over the assembly and user manual to the owner/user!

Regular Inspection: All parts should be regularly inspected visually for mechanical damage, wear and proper functionality.

Tightening Screws: All bolts of the furniture must be retightened regularly to ensure proper use.

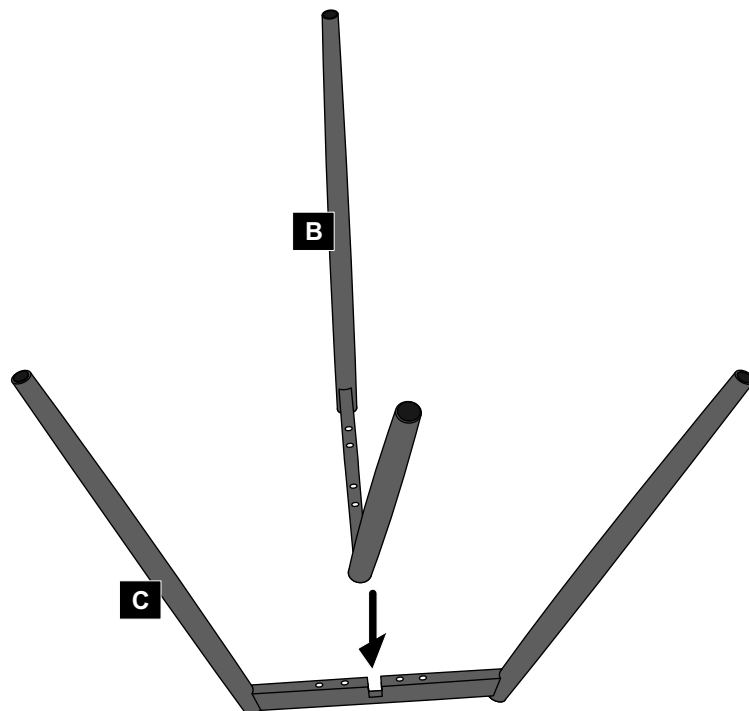

Injury Prevention: The furniture is not a toy. Flaps, drawers and other movable parts of the furniture may cause injuries if used improperly. Ensure that children or persons with reduced mobility do not operate these mechanisms without supervision.

Usage Environment: This furniture is only suitable for use in closed, dry indoor spaces.

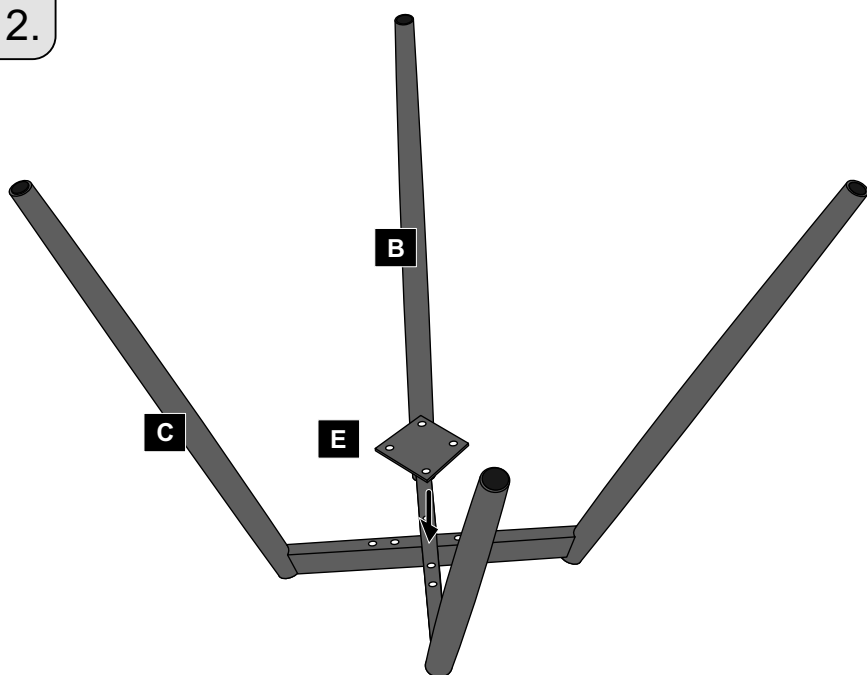

Keep Away from Heat Sources: The materials used in the furniture are not fireproof. Please ensure that no heat sources are near the furniture.

Usage Restrictions: Please note that this model is designed only for general domestic use and is not suitable for commercial use!
