Multi-functional relaxation core. Serves as both a comfortable solitary reading chair and a tasteful accent chair in the living room, either as a statement master chair or flexible as the sofa. Its substantial presence and unique design inject steady and style into any corner.

Cotton-linen blend fabric. Offers a natural, breathable, and skin-friendly touch, combining the softness of cotton with the texture of linen.

Solid wood frame and solid wood gourd-shaped legs. A sturdy internal wood frame ensures long-term stability and load-bearing capacity. The distinctive solid wood gourd-shaped legs at the base add elegant vintage outlook while enhancing overall stability and design detail.
