Product Details/Options

Name: Arctic Jar

SKU: ACAS-373-01

Size: 20"H x 12"W x 5"D

Price:

Arctic is our dramatic porcelain collection inspired by blue malachite. The rich blue and white color wraps around the porcelain shapes with movement and the appearance of the impressive stone.

The 5" deep narrow jars are scaled perfectly for the mantle when shown in pairs, or individually with dramatic blooming branches of the season. The jar is accented with solid brass square shaped bamboo hardware.

Materials: porcelain, brass
