Note: There are two installation type for this bed.
The first type: the headboard is on the left side when you face the bed.
The second type: You can directly turn to page 22 for installation instructions. The headboard is on the right side when you face the bed.

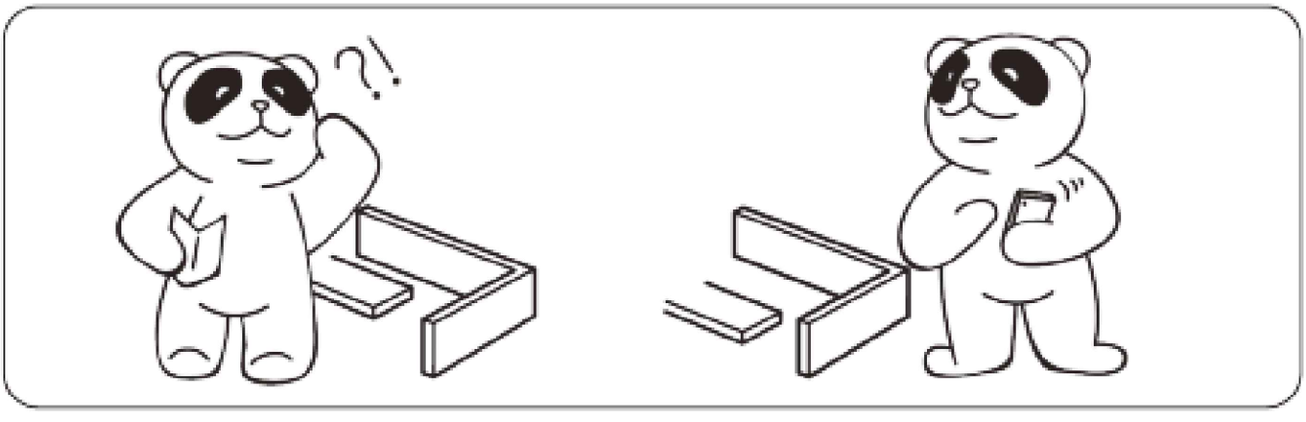

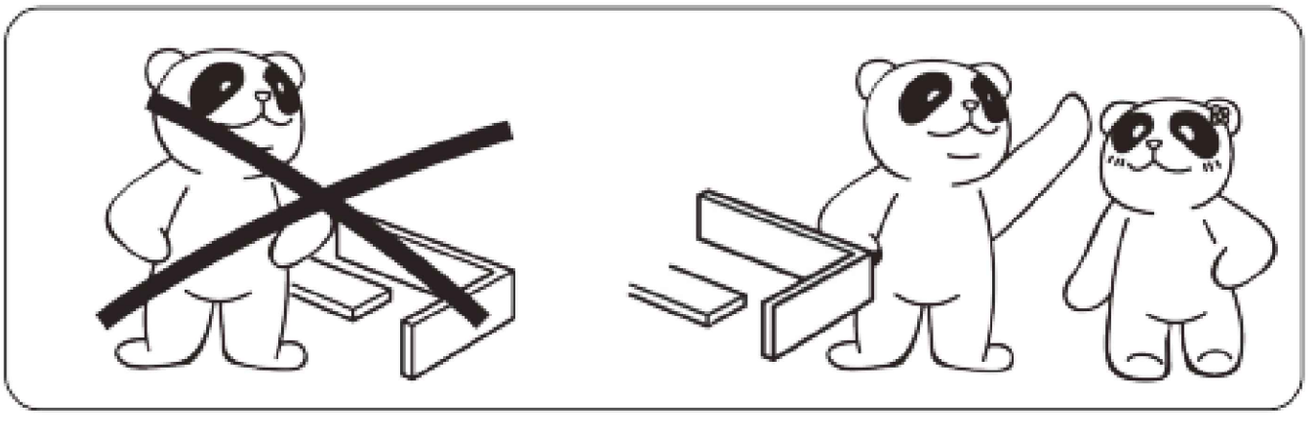

Warning

- The product must be installed and used according to the steps and recommendations in the instructions. The seller assumes no responsibility for any injury or damage caused by improper assembly or improper use by the user.
- Children are not allowed to assemble this product. During assembly, all small parts should be kept out of the reach of children to avoid swallowing or inhaling and related injuries.
- Please keep plastic packaging away from children to avoid choking hazards when playing.
- Please wear gloves during assembly/disassembly to avoid cuts.
- Please assemble the product on a spacious area and do not place the unpacked product directly on the floor to avoid damage.
- Please avoid long-term moisture to prevent mold and deformation.
- Please keep the product away from sharp objects and corrosive substances.
- Please check the tightness of the screws regularly during use. Re-tighten loose screws to ensure structural integrity.
- Depending on the type of furniture and the environment in which it is used, consider using fasteners to secure the furniture to the wall or other objects to prevent it from tipping over.
- Place the product on a flat and stable surface during use

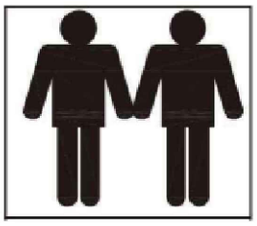

Note:

1.Should be assembled on flat ground to keep balance.

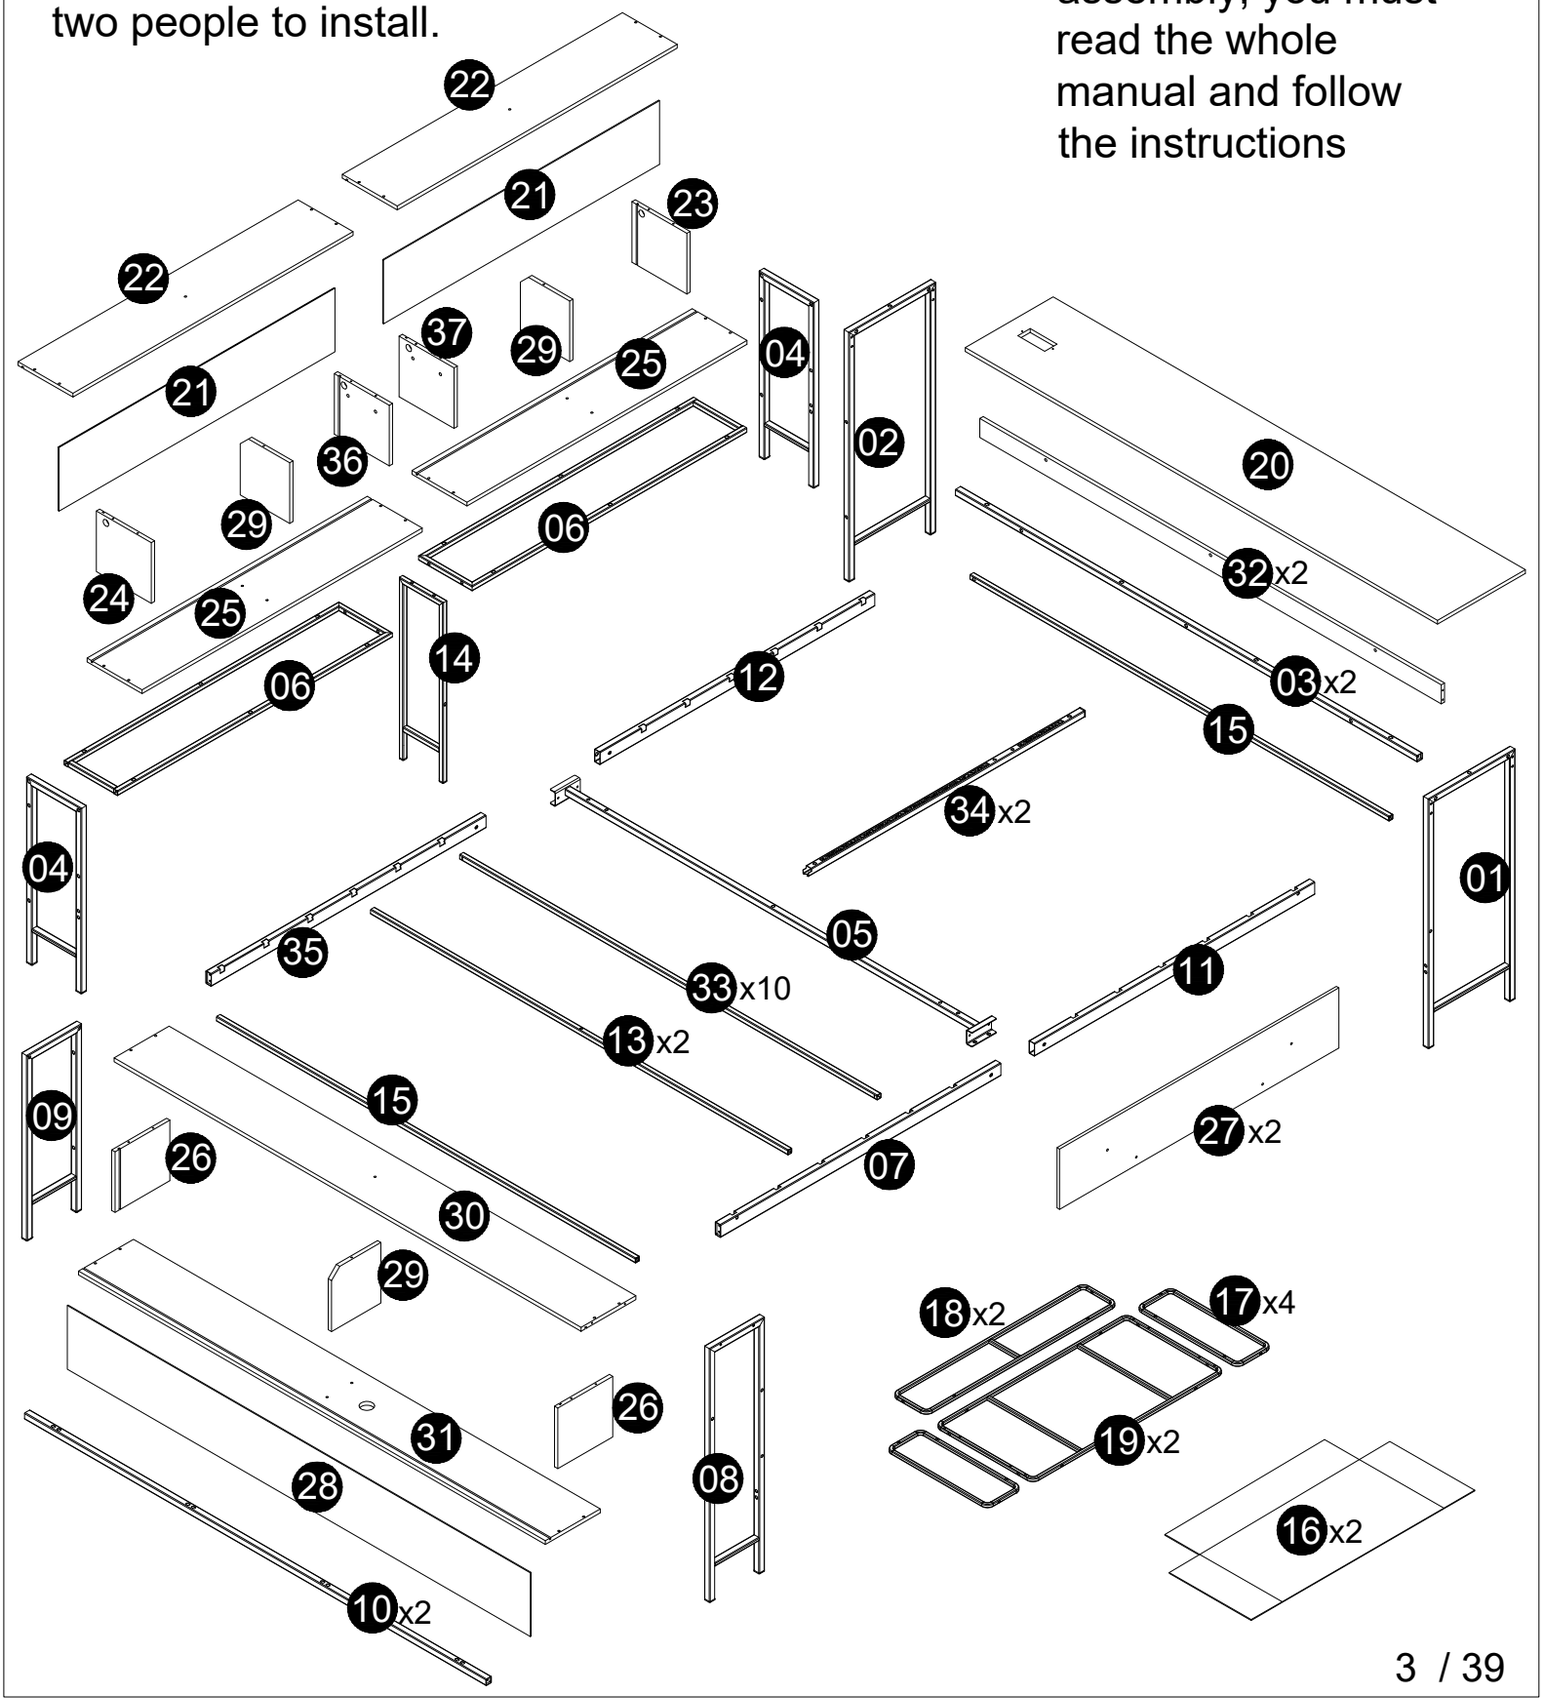

2.Before completing the installation, do not tighten the screws.

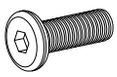

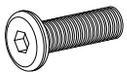

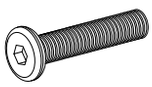

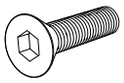

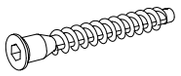

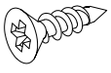

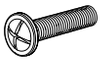

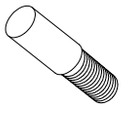

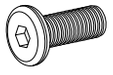

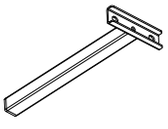

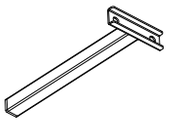

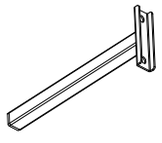

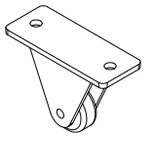

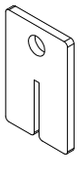

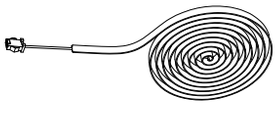

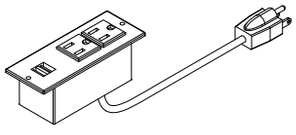

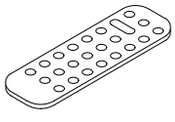

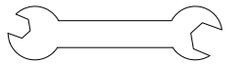

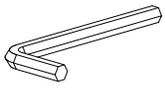

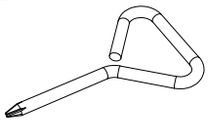

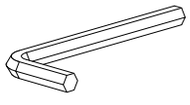

It needs at least Before starting the two people to install.

Before starting the assembly, you must read the whole manual and follow the instructions
