Care

Instructions

Your furniture, when treated with care and affection, will endure for years to come. Each piece demands gentle upkeep to enhance daily comfort and extend its lifespan. Just like any cherished possession, when treated kindly, it reciprocates that kindness. Your furniture is crafted to support you and bring joy into your life, enriching your home and your experiences.

1. Place the sofa away from direct sunlight, or utilize curtains or blinds to minimize exposure.

2. Regularly clean the sofa with a dry, soft cloth or a vacuum equipped with a gentle attachment.

3. Address stubborn stains promptly by blotting the affected area with a soft cloth soaked in warm water and mild soap. Follow up by drying with a clean cloth.

4. Avoid excessive rubbing during cleaning, as it may damage the weave and cause discoloration.

5. We recommend affixing felt pads underneath the sofa to prevent floor scratches. Additionally, laying a rug beneath can provide both protection and aesthetic appeal to your living space.

6. Ensure even weight distribution on the cushions regularly for optimal care.

By adhering to these care instructions, your furniture will continue to serve you well in return. We look forward to welcoming you back soon!
