

Installation Instructions

WARNING!

Important information, please read carefully and retain this information for future reference. Only adults are allowed to assemble, keep children away.

English

WARNING!

If furniture is tipped over, it may cause serious injury or even death. To prevent tip-over of this furniture, be sure to use it with the wall attachment devices provided. Use the appropriate screws and plugs for your wall.

If the supplied wall attachment devices do not match the walls in your home, consult your local professional to use screws and plugs that fit your walls. Please read and follow each step in the instructions carefully.

Please pay attention to the iron corner protectors and cabinet parts inside the package. If the iron corner guard is damaged, you can just discard it; if you find any broken or damaged cabinet parts, please contact customer service immediately for replacement parts. Sharp edges of metal parts can cause serious injury.

Please pay attention to the glass parts of the cabinet (if included). If you find any broken or damaged parts, contact customer service immediately for replacement. Sharp edges of the glass may cause serious injury.

Deutsch

WARNUNG!

Ein Umkippen der Möbel kann zu schweren Verletzungen oder sogar zum Tod führen. Um ein Umkippen dieses Möbels zu verhindern, verwenden Sie es mit den mitgelieferten Wandbefestigungsvorrichtungen. Verwenden Sie die für Ihre Wand geeigneten Schrauben und Dübel.

Wenn die mitgelieferten Wandbefestigungsvorrichtungen nicht zu den Wänden in Ihrer Wohnung passen, wenden Sie sich an einen Fachmann, um Schrauben und Dübel zu verwenden, die zu Ihren Wänden passen. Bitte lesen und befolgen Sie jeden Schritt in der Anleitung sorgfältig.

Achten Sie bitte auf den Eiseneckenschutz und die Schrankteile in der Verpackung. Wenn der eiserne Eckschutz beschädigt ist, können Sie ihn einfach wegwerfen; wenn Sie gebrochene oder beschädigte Schrankteile finden, wenden Sie sich bitte umgehend an den Kundendienst, um Ersatz zu erhalten. Scharfe Kanten von Metallteilen können schwere Verletzungen verursachen.

Achten Sie bitte auf die Glasteile der Vitrine (falls vorhanden). Wenn Sie zerbrochene oder beschädigte Teile finden, wenden Sie sich bitte umgehend an den Kundendienst, um Ersatz zu erhalten. Scharfe Kanten des Glases können zu schweren Verletzungen führen.

AVERTISSEMENT !

Le basculement du meuble peut entraîner des blessures graves, voire mortelles. Pour éviter que ce meuble ne bascule, veillez à l'utiliser avec les dispositifs de fixation murale fournis. Utilisez les vis et les chevilles appropriées à votre mur.

Si les dispositifs de fixation murale fournis ne correspondent pas aux murs de votre maison, consultez votre professionnel local pour utiliser des vis et des chevilles adaptées à vos murs. Veuillez lire et suivre attentivement chaque étape des instructions.

Veillez faire attention aux protections d'angle en fer et aux pièces de l'armoire à l'intérieur de l'emballage. Si le protège-coin en fer est endommagé, vous pouvez simplement le jeter ; si vous trouvez des pièces de l'armoire cassées ou endommagées, veuillez contacter immédiatement le service clientèle pour les remplacer. Les bords tranchants des pièces métalliques peuvent provoquer des blessures graves.

Faites attention aux parties en verre de l'armoire (si elles sont incluses). Si vous trouvez des pièces cassées ou endommagées, contactez immédiatement le service clientèle pour les remplacer. Les bords tranchants du verre peuvent provoquer des blessures graves.

AVVERTENZA!

Il ribaltamento del mobile può causare gravi lesioni o addirittura la morte. Per evitare il ribaltamento di questo mobile, assicurarsi di utilizzarlo con i dispositivi di fissaggio a parete in dotazione. Utilizzare le viti e i tasselli adatti alla parete.

Se i dispositivi di fissaggio a parete forniti non corrispondono alle pareti della vostra casa, consultate il vostro professionista di fiducia per utilizzare viti e tasselli adatti alle vostre pareti. Leggere e seguire attentamente ogni fase delle istruzioni.

Prestare attenzione alle protezioni angolari in ferro e alle parti del mobile contenute nella confezione. Se la protezione angolare in ferro è danneggiata, è possibile scartarla; se si trovano parti del mobile rotte o danneggiate, contattare immediatamente il servizio clienti per la sostituzione. I bordi affilati delle parti metalliche possono causare gravi lesioni.

Prestare attenzione alle parti in vetro del mobile (se incluse). Se si riscontrano parti rotte o danneggiate, contattare immediatamente il servizio clienti per la sostituzione. I bordi affilati del vetro possono causare gravi lesioni.

警告

家具が転倒した場合、重傷を負ったり死亡する恐れがあります。この家具の転倒を防ぐため、必ず付属の壁面取り付け器具を使用してください。壁に適したネジとプラグを使用してください。

付属の壁取付金具がご自宅の壁に合わない場合は、お近くの専門業者にご相談の上、壁に合ったネジとプラグをご使用ください。説明書の各ステップをよく読み、それに従ってください。

パッケージ内のアイアンコーナープロテクターとキャビネット部品にご注意ください。アイアンコーナープロテクターが破損している場合は、そのまま捨てていただいて結構です。キャビネット部品に破損や損傷がある場合は、直ちにカスタマーサービスにご連絡の上、交換してください。金属部品の鋭利な角は、重大な怪我を引き起こす可能性があります。

キャビネットのガラス部品（付属している場合）にもご注意ください。破損または損傷した部品を発見した場合は、直ちにカスタマーサービスにご連絡の上、交換してください。ガラスの角が鋭利な場合、重傷を負う可能性があります。

WARNING!

For smooth assembly you can use a power screwdriver, wear safety glasses and gloves when using tools.

Before assembling, please check all parts, important reminder:

Rear wall C and door panel F are stuck together, rear wall D and door panel E are stuck together.

Simply take the door panels E and F out of the rear wall panels and you will find the parts labeled C and D.

Caution!

When assembling the door, if the spring-loaded door shaft do not snap into the holes in the door frame correctly, it may cause the doors to come loose, please follow the instructions to assemble the doors correctly.

REQUIRED ADJUSTMENTS

Adjusting the leg screws is critical to the stability of the cabinet and the proper working of the locks and door pins.

1. Be sure cabinet is empty.
2. Position cabinet into desired location.
3. Use the supplied screwdriver to adjust the feet. Turn the feet clockwise to lower the cabinet; turn the feet counterclockwise to raise the cabinet.
4. Level cabinet side-to-side.
5. On carpet, adjust foot so the front of the cabinet is $1/4$ " higher than the rear. On uncarpeted floors, the front should be $1/8$ " higher than the rear.
6. Check cabinet for proper operation. Doors should open and close smoothly and be evenly aligned with the frame.

x2

1

Put the two rear walls together and put four bolts and nuts to hold them in place.

O×4 | P×4

2

Simply overlap each sidewall in the channel of the rear wall and put three screws on each side to hold them in place. Note that Part A is on the left side and Part B is on the right side. If they are misplaced, it will affect the assembly.

N×8

3

Snap the three buckles on either side of Part J into the three holes in both side panels and then push it down so that it snaps into the bottom of the cabinet.

N×4

4

When placing Part H, place the notched side facing forward.

5

N×4

6

Snap the buckle on both sides of Part I into the hole in both side panels and push it up so that it snaps into the top of the cabinet.

N×4

7

Part G has two holes on one side, facing the rear.

N×7

8

Put the two metal strips K into the bottom frame, taking care that the raised side of Parts K faces the inside of the cabinet and is flush with the bottom of the cabinet when assembled.

The raised gold hardware side on Part K faces the bottom of the cabinet.

M×4 N×14

9

If the ground is uneven, it can be adjusted by rotating the screw M. This will fix the situation that the door is not easily opened or closed.

10

The cabinet can be fixed to the wall as needed.

T×2

11

Put four support clips Q in the four corners of the cabinet, taking care to place them on the same level.

Q×20

12

13

Install the door on one side by first installing the door pin R, then by pressing the spring shaft on the top of the door.

If the spring shaft is missing from the door, you can find the screw W in the hardware package to install it.

R×1 S×2

14

If the spring shaft is missing from the door, you can find the screw W in the hardware package to install it.

R×1 S×2

15

Attach the handle U to the door panels and secure them with screws V.
