Single seats

STEP

1

The storage stool (A) and the backrest (E) are connected by part (K).

Please tighten the screws to 50% first.
Wait for all screws to be fixed and then tighten to 100%.

STEP

2

Flip it so that its bottom is facing outward, and then use part (J) to connect the bottom of the storage stool (A) and backrest (E).

STEP

3

Tighten the bracket legs (I) to the hole at the bottom of the corresponding storage stool (A).

Flip to face up

STEP

4

Place the storage stool cover (B) in the corresponding card slot above the storage stool (A) and place it flat.

STEP

5

Cut open the plastic packaging of the compression pad (F) and take it out.

Remove and pat fluffy and let stand for 30 minutes.

6

Make the cushion (F) is fluffy and placed above the Storage stool (A).

STEP

7

Cut open the plastic packaging of the compression pad (G) and take it out.

Remove and pat fluffy and let stand for 30 minutes.

8

Make the cushion (G) is fluffy and placed above the compression pad (F).

STEP

9

Now that the corner seat is complete
you can freely combine it with other modules

STEP

You can fix the connection between the seats by means of a connector (J).
