*Please keep these instructions and have the product model # and part # available when requesting a service.

Step 1:

Step 2:

Step 3:

Step 4:

To connect your sectional pieces, start with the piece on the right side (#1) when facing the sectional. Hook the male connector of the right facing side of the wedge #2 into the female connector on the bottom of item #1, continue connecting the remaining sectional piece in order. To disconnect, go in the reverse direction, in the drawing below you would begin with #3.

Completed
