Thickness <b>6.5 mm</b>	Sq Ft / Carton <b>19.225</b>	Edge Profile <b>Big Bevel</b>

Introducing the DURA-PRO Series by SKY FLOORING – a masterpiece of style and durability in the world of flooring. With a luxurious 6.5mm thickness and a remarkable 22 mil wear layer, our SPC vinyl flooring offers an exceptional blend of elegance and resilience.

Crafted to capture the essence of natural wood, the DURA-PRO Series delivers a captivating texture and aesthetic without the burdens of high maintenance or expense. Infused with eco-friendly aggregates and stabilizers, its rigid SPC composition presents the tactile sensation of authentic wood underfoot.

Highlighted by its beveled edge profile, the DURA-PRO Series presents a sophisticated and visually appealing floor design. Effortlessly installed through the secure Unilin Locking system, this flooring solution offers a seamless fit that's ideal for living, kitchen, and bedroom spaces. Its robust SPC core ensures sturdiness, mirroring the solidity of genuine wood.

# Oregon Spring

**SF-212D**

This finish is similar to light oak found in the Pacific Coast, which is very popular for floorboards to give bedrooms and living spaces a very homely characteristic. It gives your bedroom or living room a bit of a rustic country home atmosphere.

## ACCESSORIES AVAILABLE

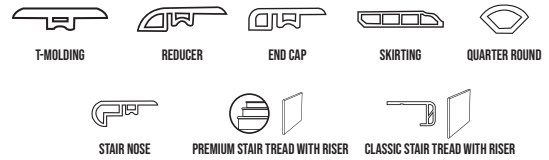

# Autumnwood

**SF-213D**

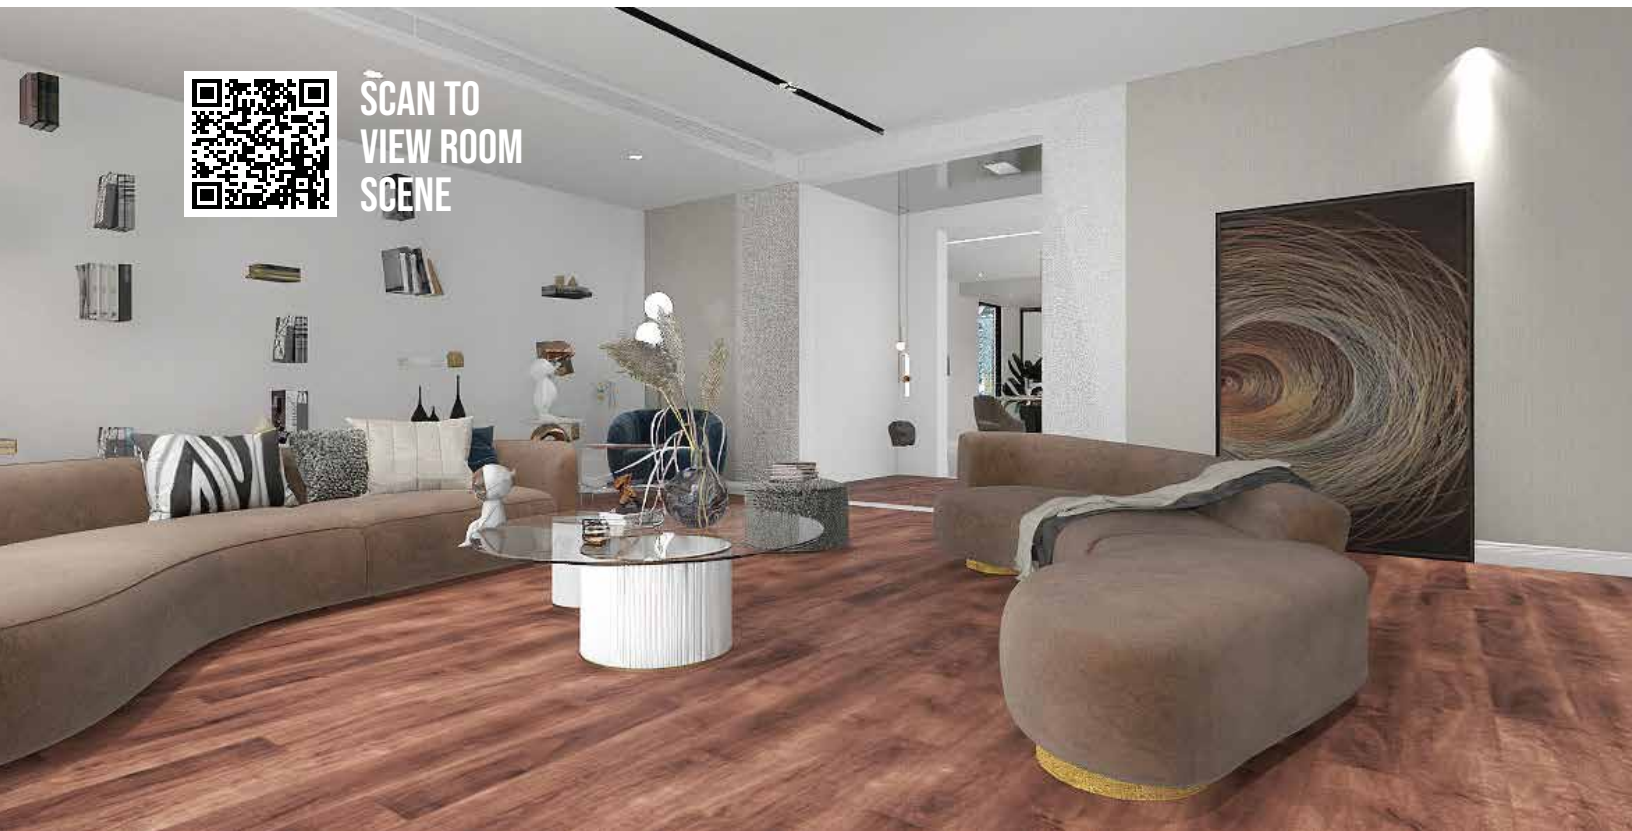

This surface design simulates the deep cherry-brown tones in this pattern which simulates weathered wood for a more lived-in, rustic feel. Dark wood conveys warmth and is very easy on the eyes. Perfect for a rest-inducing time in your bedroom or living room.

# Ducal

**SF-214D**

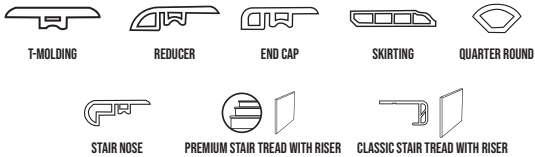

This classic pattern simulates Carrara marble from the Apuane mountains of Tuscany. It follows naturally-occurring patterns seen from stones quarried, giving it a sophisticated character.

This surface evokes elegance and class owing to the rare nature of the stone. Its whiteness allows light to bounce around kitchen and living room settings.

The tiled pattern is ideal for flooring and vertical surfaces like walls and sidings

## ACCESSORIES AVAILABLE

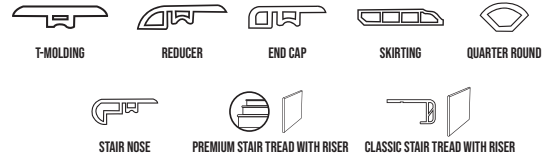

# Summer Oak

**SF-215D**

This finish shows a bright yet warm surface that has less grooves and details. It expresses the vibrance and beauty of wood on a summer day. Great for more minimalist themes.

# Old Woodshed

**SF-216D**

This pattern is designed to simulate the Stamford Oak pattern of planked timber usually found in work surfaces. A pattern that conveys old country workshop rustic that definitely gives a lived-in feel. Perfect for living areas or even outdoor floors.

## ACCESSORIES AVAILABLE

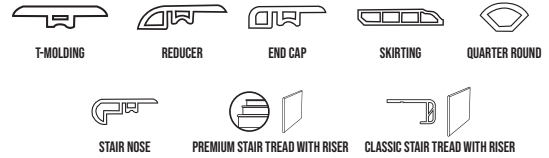

# Willamette

**SF-217D**

This finish samples very vibrant detail combined with the charm of aged wood. It simulates antique oak that gives a very 'cabin house' feel to your living space. This finish is perfect for outdoor living settings and goes very well with most wood furniture.

# Bosco de Spiaggia

**SF-223D**

Bosco De Spiaggia is Italian for “beach wood”. This finish is similar to coastal oak and features some very clear patterns and lines for a more natural look that definitely catches the eye. Ideal for both interior and exterior spaces.

## ACCESSORIES AVAILABLE

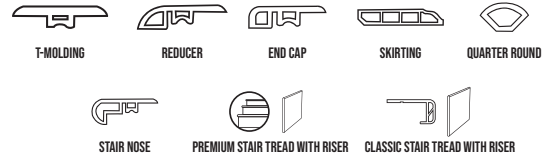

# Russet

**SF-224D**

For a warm and cozy living and bedroom space, the lines and patterns on the wood are derived from walnut wood. The finish gives out a very rustic and homely impression. When it comes to matching with furniture, the color goes very well with reds and browns.

# Elmes

**SF-225D**

Dark Cedar shows dramatic shifts in tone and color and that gives out sharp contrasting angles. This finish shows more rigid and straight lines that are suitable for condominium floors and office spaces, but can also be warm and welcoming for bedrooms and living spaces.

## ACCESSORIES AVAILABLE

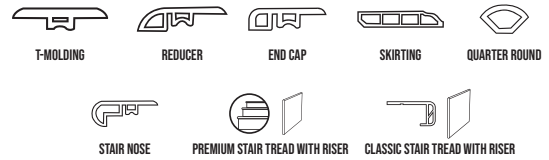

# Rustic Grey

**SF-232D**

The gray tiled surface is ideal for many different types of living spaces where there will be much foot traffic. This surface is ideal for both industrial-themed and modern chic interior design. The neutral color provides a seamless connection between the bustling pavements and streets and the comfortable ambience of the indoors.
