- 1、 Please check all items against the product list to ensure nothing is missing. Contact us at any time if any parts are not included.
- 2、 Before installation, place the packing foam from the box or prepare a thick cushion on the floor to protect the mirrored surface from scratches.

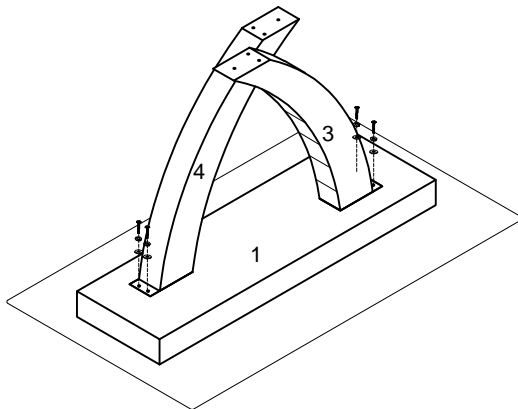

STEP 1

Place two screws inside before starting to tighten them

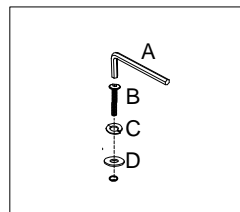

Tighten the screws to 80% tightness

Place EPS or blankets underneath the product to prevent damage to the mirror surface

Two people work together to lift the top and slowly flip it over

STEP 2

Place six screws inside at one time before starting to tighten them

Adjust the table balance then tighten all the screws to 100% tightness
