

VASAGLE®

ULCS70/070

by SONGMICS

General Guidelines

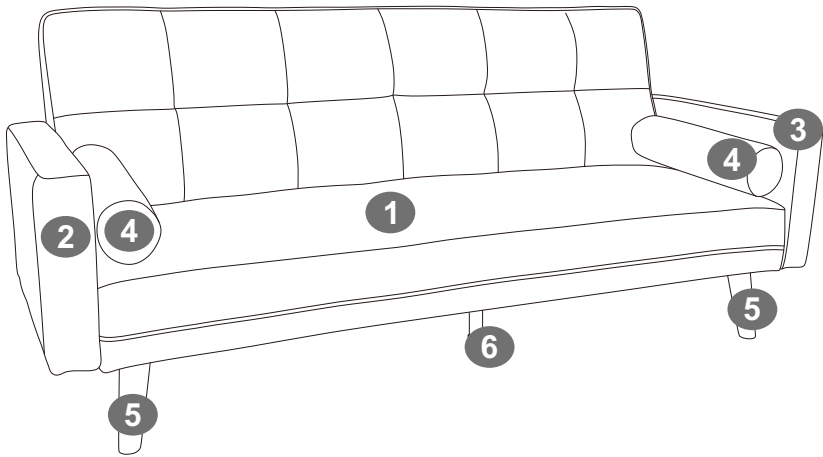

- Please read the following instruction carefully and use the product accordingly.
- Please keep this manual and hand it over when you transfer the product.
- This summary may not include every detail of all variations and considered steps. Please contact us when further information and help are needed.

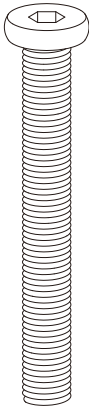

Notes

- Ensure all parts are intact and assemble the product strictly according to the instructions. Incorrect assembly may result in injury.
- It is recommended that two adults assemble this product using protective gloves to avoid accidental injury.
- Before assembly, take out all the parts and put them on a protective mat carefully.
- Take note of the difference between left and right armrests and backrests, and follow the assembly order of instruction.
- When installing the armrest and backrest, the left and right inserts should be aligned with the slots, then press down by both hands evenly.
- If you need to disassemble the armrest or backrest, just lift it up from the bottom.
- Loosely tighten all screws first, then fully tighten them after you finish the assembly.
- If there are defective or missing parts, please stop using the product, as it may affect the safety or functions.
- The product is only intended for indoor use by up to 3 people at one time.
- The maximum static load capacity of the product is 300 kg (660 lb).
- Do not expose the product to strong sunlight for extended periods of time. Never touch it with sharp objects to avoid damage.
- Fabric cover: Dry clean; Never wash it in the water; Do not bleach; Use dry foam or advanced detergent if necessary.
- To prevent pets from scratching the sofa, please prepare scratching boards for them.

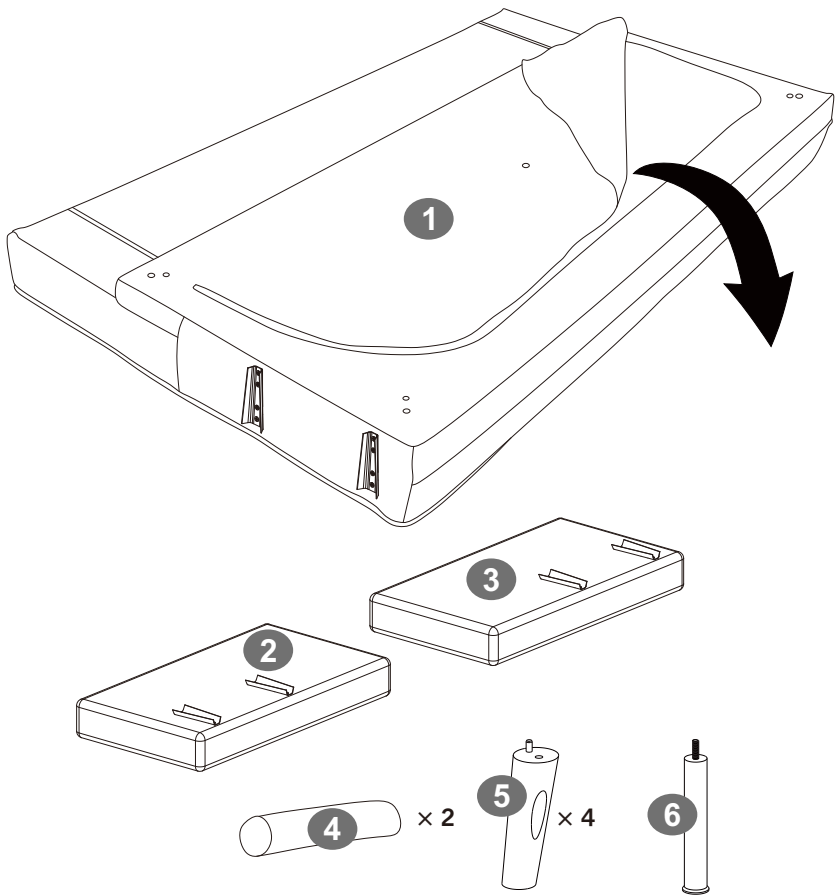

Warnings

- Children should only use the product under adult supervision.
- Any change or modification of the product may affect its safety. Be careful of risks!
- During assembly, keep parts and packaging materials away from children and pets as they can result in serious injury and potential choking hazards.
- To avoid the potential dangers of suffocation, please keep all parts and packaging (film, plastic bags, foam, etc.) away from babies and children.
- Do not sit on the couch until you finish the assembly.
- Never use the product as a step stool to avoid potential body injury.
- Children should not play on the product during assembly to avoid injury.
