Weight (lbs)	13.21

Product Features

- Superior Airflow: Silicon Steel DC Reversible Motor ensures ultra-powerful and whisper-quiet air movement, creating a serene atmosphere.
- Reversible DC Motor: Enjoy year-round comfort with a reversible ceiling fan that efficiently switches between downward airflow for summer and upward airflow for winter, ensuring even heat distribution throughout the room.
- Remote-Controlled Convenience: The 52" ceiling fan comes with a remote control, offering 6 wind speeds, timer adjustment, and reversible blade design for year-round comfort.
- Versatile Placement: Featuring a classic airplane blade design and a retro style, the flush mount ceiling fan is an ideal decoration for various spaces, including farmhouse, patio, bedroom, living room, kitchen, and porch 欵攢uitable for both indoor and covered outdoor use.
- Flush Mount Design: Featuring low-profile flush mount installation, simple lines, and beautiful solid wood blades will match your different decor styles. The shell of a ceiling fan in matte black, stylish, and vintage will keep the home stylish and distinctive.
