Safety Precations and Care Instructions Précautions de sécurité et instructions d'entretien Precauciones e instrucciones de cuidado

- ▶ Do not use your canopy as a permanent cover. It is designed for temporary use only. Damages due to weather conditions are not warranted.
- ▶ Do not set-up on steep incline. Do not leave unattended.
- ▶ Never set-up in windy, rainy, or snowy conditions. Do not let snow or rain accumulate on top. It will collapse.
- ▶ Use tie-downs, stakes or weight bags to secure your Impact Canopy in windy conditions. Commercial stake kits and weight bags can be purchased as accessories directly from Impact Canopies.
- ▶ Do not machine wash your top. Wash with mild soap and water with a brush with the Instant Canopy is open with the legs extended. Do not use harsh detergents, abrasives or bleach.
- ▶ Do not put your instant Canopy away while wet or damp. This promotes mildew and rust. Always store complete dry.
- ▶ For best results in keeping your top clean and to avoid small rips and tears, it is recommended that the top be removed and stored in the carry bag after each use.
- ▶ Ne pas utiliser votre abri comme une abri permanent. Il est prévu que pour utilisation provisoire!
- ▶ Ne pas monter sur les pentes raides et les plans inclinés. Ne jamais laisser sans supervision.
- ▶ Ne jamais monter l'abri dans les conditions météorologiques suivantes; pluie, vents fort ou la neige. Ne pas laisser l'eau ou la neige s'accumuler sur le toit.
- ▶ Utiliser les points de fixation au sol, des piquets ou de sacs de lestage pour bien fixer votre abri Impact dans les conditions venteuses. Des kits de piquets commerciaux et des sacs de lestage sont disponibles chez Impact Canopies.
- ▶ Ne jamais nettoyer le toit de votre abri à la machine. Si un nettoyage est nécessaire, utiliser un détergent doux avec une brosse et nettoyer le toit quand il est tendu sur l'armature.
- ▶ Laisser le toit sécher complètement avant de le ranger.
- ▶ Pour garder votre toit propre et empêcher les petites déchirures, il est recommandé de retirer le toit de l'armature et de le ranger dans le sac après chaque utilisation.
- ▶ No utilice el toldo como una cubierta permanente ya que está diseñado solo para uso temporal. Los daños causados por las inclemencias del tiempo no están cubiertos por la garantía.
- ▶ No lo instale sobre terrenos empinados y no lo deje desatendido.
- ▶ Nunca lo instale cuando haga viento, cuando llueva o nieve. No permita que la lluvia o la nieve se acumulen en el toldo ya que esto colapsaría.
- ▶ Utilice ataduras, estacas o pesas para asegurar el toldo en condiciones ventosas. Usted podrá comprar como accesorio adicional los kits comerciales de estacas y pesas que tiene a la venta Impact Canopies.
- ▶ No lave la carpa en lavadora. Lávela con jabón suave, agua y un cepillo mientras el toldo esté abierto pero con sus patas contraídas. No utilice detergentes fuertes, abrasivos ni blanqueadores.
- ▶ No guarde el toldo cuando esté mojado o húmedo. Esto promoverá el moho y la oxidación.
- ▶ Guárdelo siempre completamente seco. Para conservar mejor la carpa y evitar que se rasgue, se recomienda que la quite del toldo después de cada uso y que la guarde en la bolsa para transporte.

Warning | Attention

This canopy is NOT to be left unattended as it is considered a temporary shelter!

If there is inclement weather, you should take your canopy down immediately.

Any rain and winds over 10-15 MPH will damage your canopy.

Water that collects on the canopy top will also destroy the structure of your canopy.

We advise you to never leave your canopy up overnight and unattended under inclement weather conditions.

We will not be held responsible for ANY weather damages.

It is to the customer's best judgment in determining the best weather conditions for your canopy.
