For one person

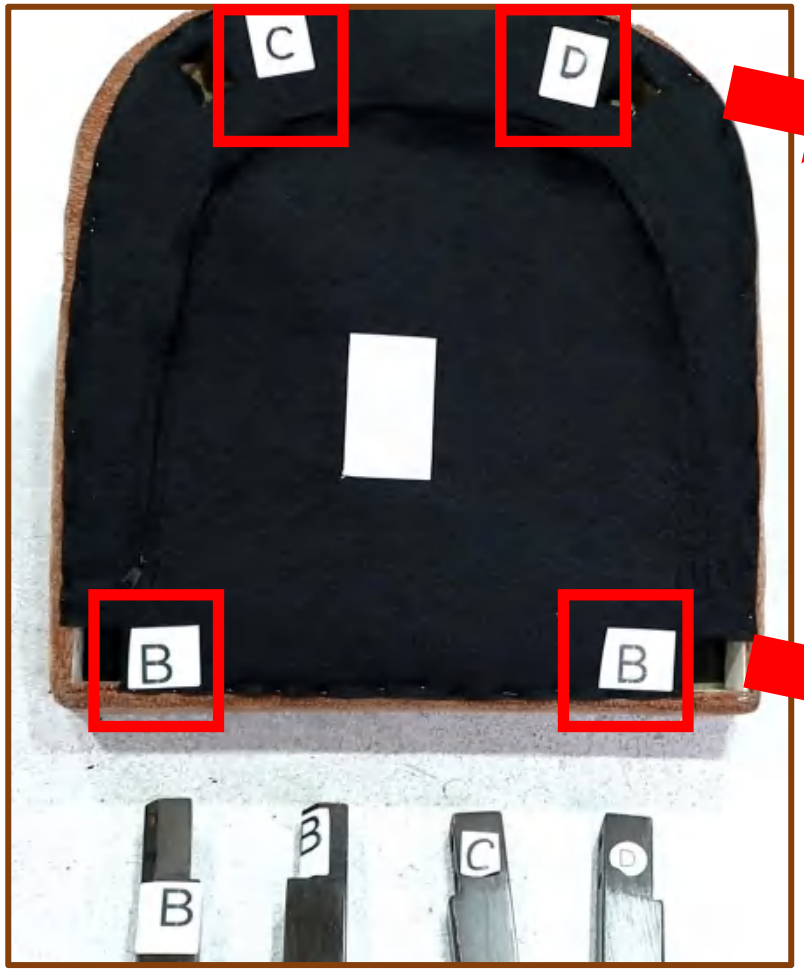

Minimum 2 people to assemble

Necessary tools

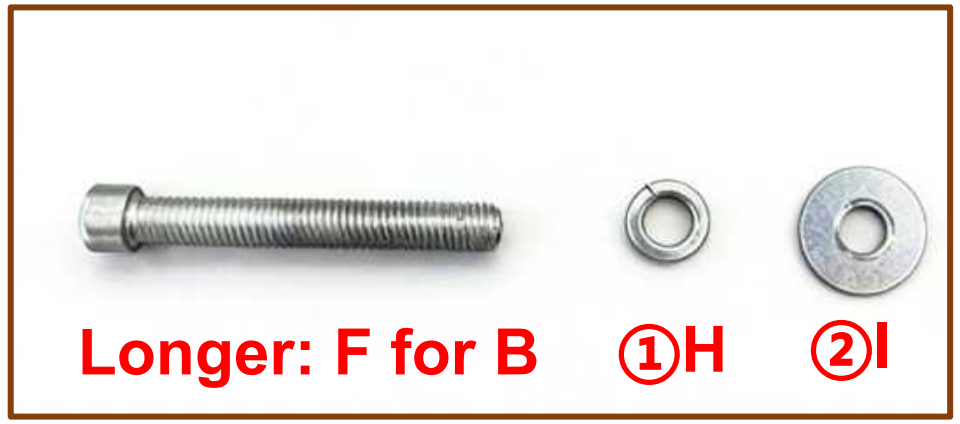

Step 1

NOTE: Please make sure to follow the steps.

Please upside down on a flat surface for easier assembly. Refer to the letters for leg placement under the seat. Place washers H and I onto screws F and G in sequence.

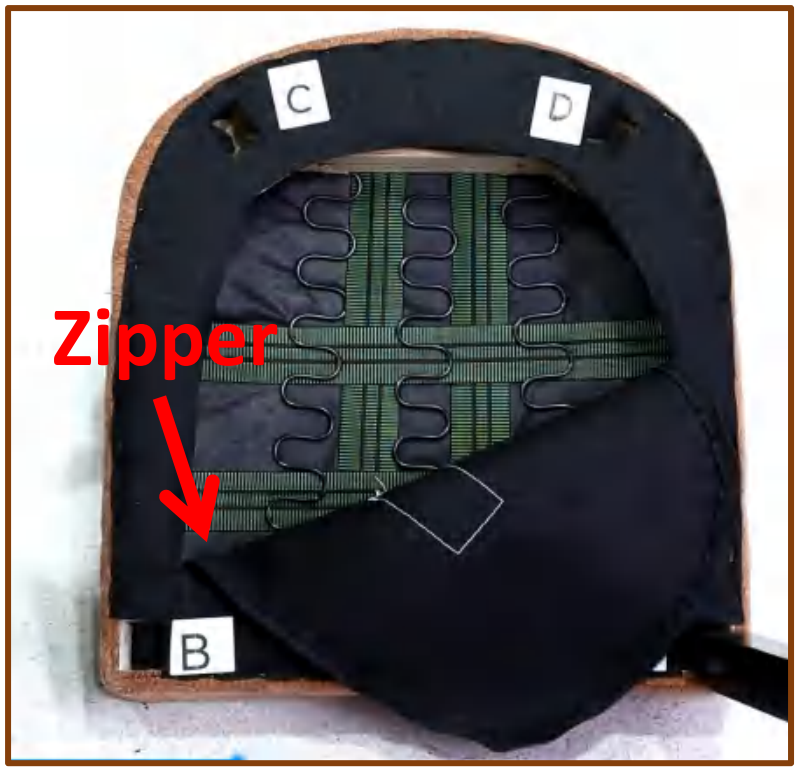

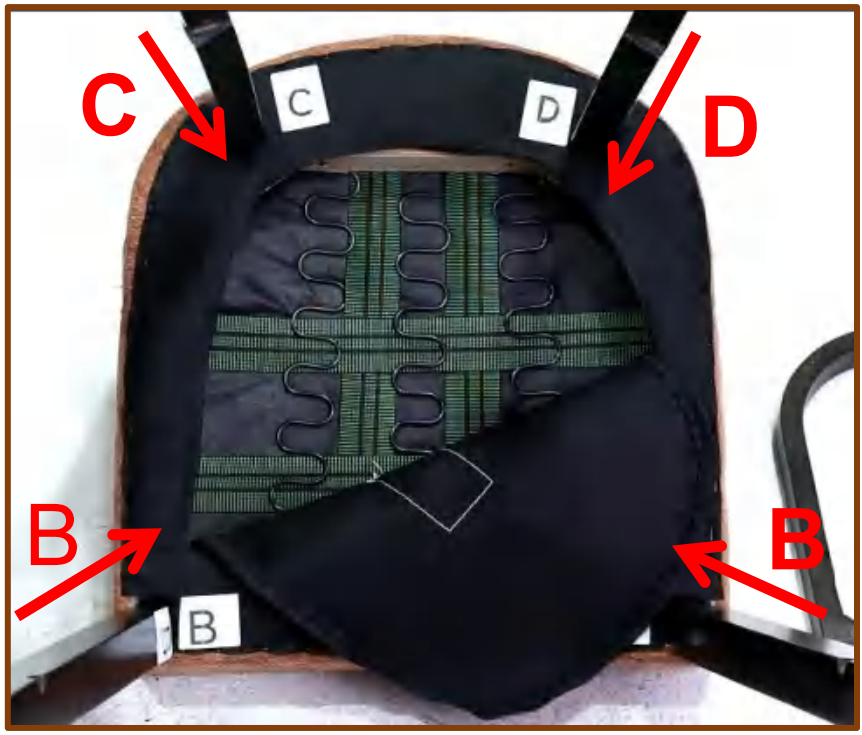

Step 2

NOTE: Please make sure to follow the steps.

Unzip seat base and align labeled legs to install. Insert the end with the hole facing inward.

Step 3

NOTE: Please make sure to follow the steps.

Secure legs B with 4 F-screws and washers. Secure legs C and D with 4 G-screws and washers. Use screwdriver M to tighten all screws to 80%

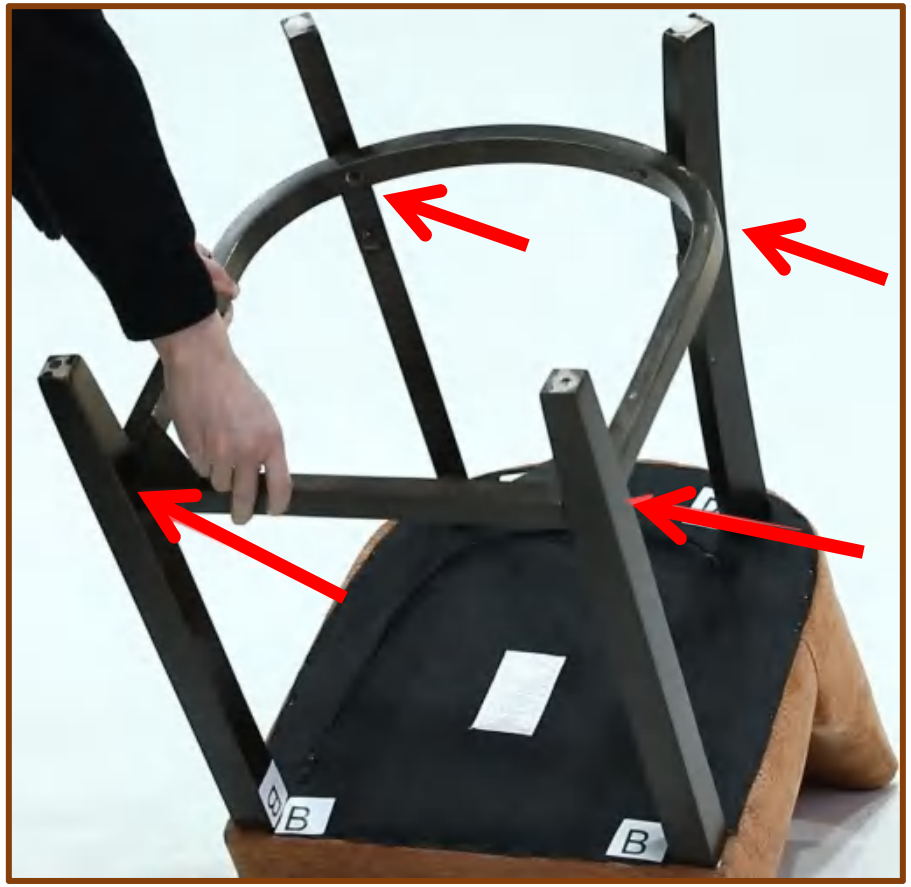

Step 4

NOTE: Please make sure to follow the steps.

Attach Crossbar E by aligning its notches with the holes in Legs B. Then align the holes on the arc of Crossbar E with the holes on legs C and D.

Step 5

NOTE: Please make sure to follow the steps.

Insert Screws J and tighten with Screwdriver N. Tighten all screws(F+G+J) to 100%

NOTE: Some loosening may occur during assembly. Firmly press the legs to ensure the crossbars and legs fit flush together, then fully tighten the screws.

Last Step

NOTE: Installation completed. Hope you enjoy it!

Attach the Foot Pads K and turn the chair upright. It is now ready for use.

Frequently Asked Questions

Q1: Why didn't I receive all the items at once when ordering 4/6 PCS?

A: 4/6 PCS will be shipped in separate packages. Delivery dates may differ across packages.

Q2: Does the color of the product you received match the picture?

A: Due to different environments, shooting equipment, lighting conditions, monitors, and other factors, there will be color differences.

Q3: What if screws/crossbar fail to work properly or the chair stays unstable after assembly?

A: Please refer to the manual to confirm that the correct parts and screws are being used. Alternatively, feel free to contact us with photos of the issue so we can provide a quick resolution.

Q4: What should I do if the package arrives damaged?

A: The package may have been damaged during shipping. Please send photos of the damaged parts, and we’ll arrange a replacement promptly.
