Installation & Assembly

EN

General Guidelines

- Please read the following instructions carefully and use the product accordingly.
- Please keep this manual and hand it over when you transfer the product.
- This summary may not include every detail of all variations and considered steps. Please contact us when further information and help are needed.

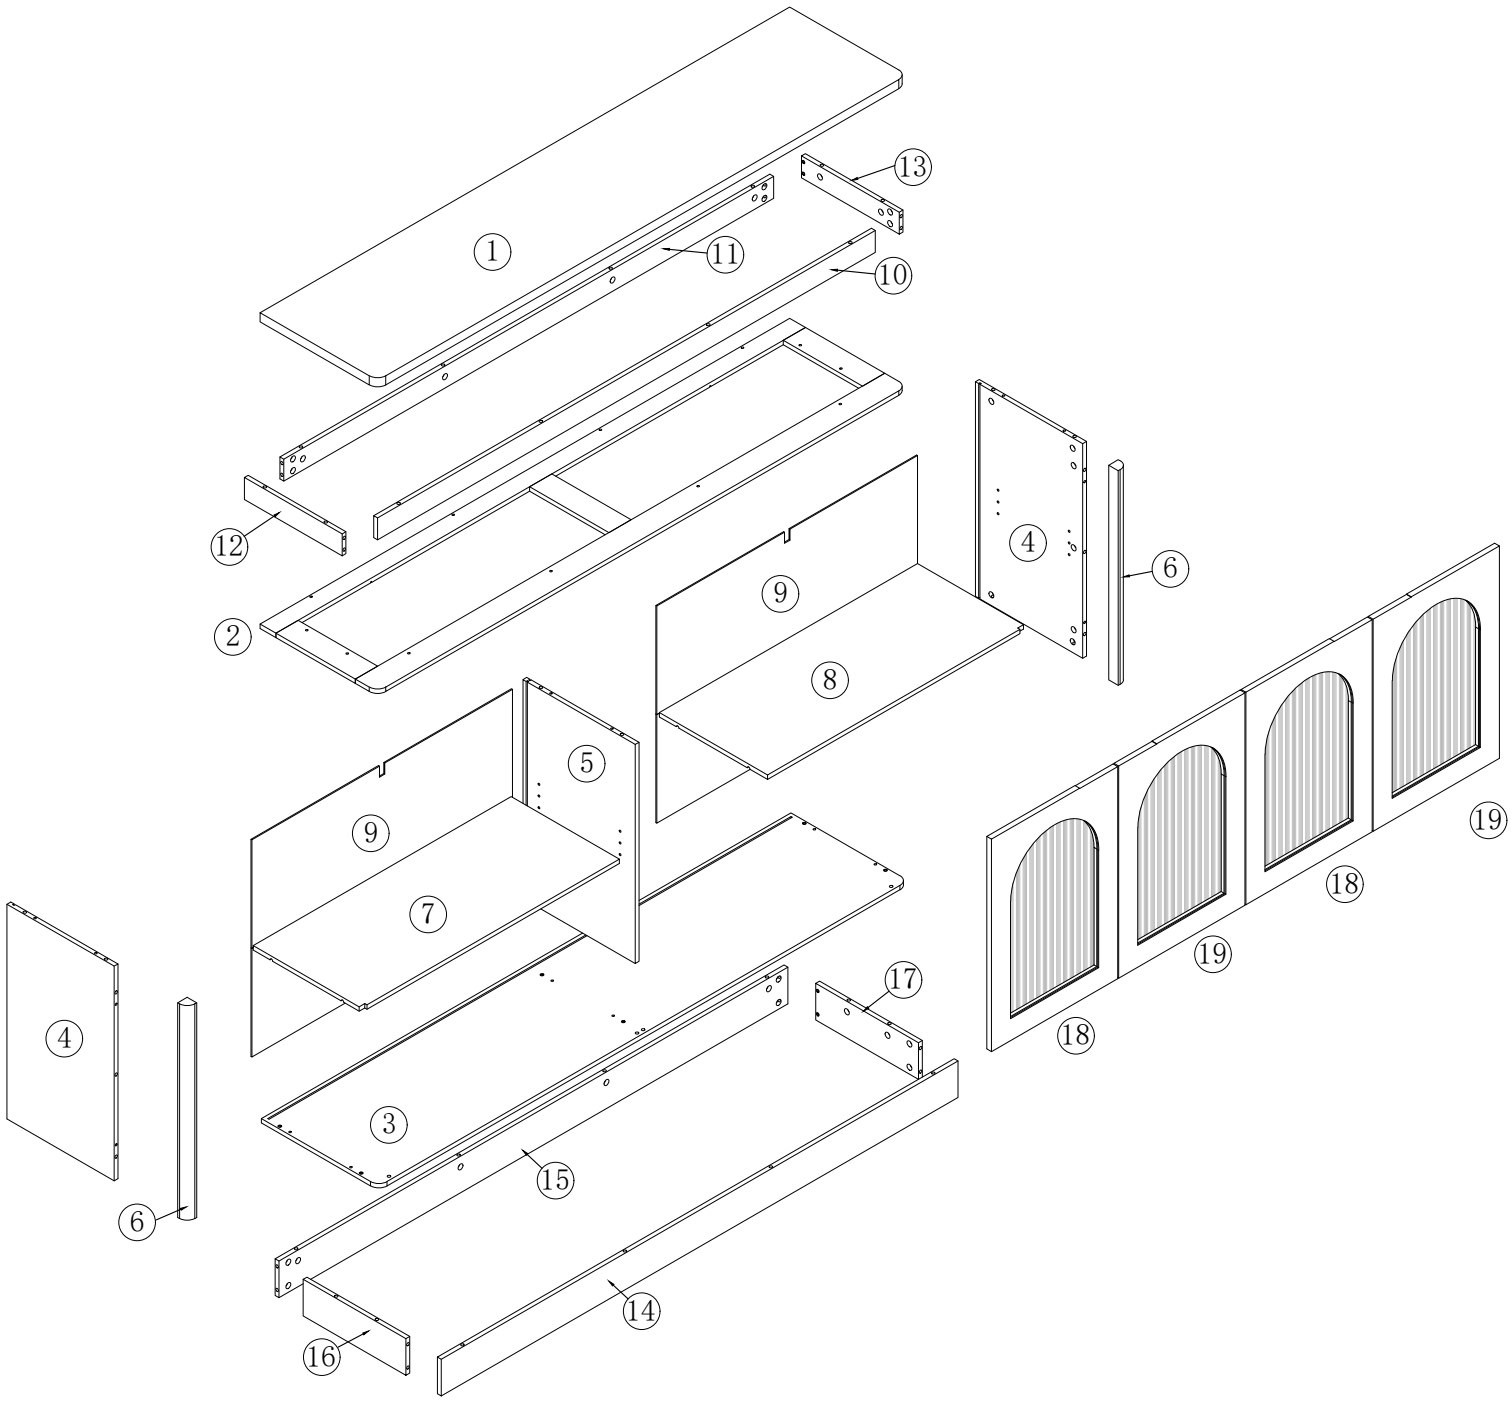

Notes

- The product is intended for indoor use only. The product must be assembled and used in accordance with the provisions of the manual. Personal injury and/or damage to the product may occur if products are used outside of their intended purposes and/or if products have been changed/modified from their original design.
- The seller does not assume any responsibility or liability with respect to any injury/damage caused by incorrect assembly or improper use.
- Avoid long-term exposure to humid environments to prevent mildew.
- Keep the product away from fire sources and high temperatures. Do not expose the product to direct sunlight.
- Do not place any hot objects on the surface of the product.
- If there are any defective or missing parts after unpacking, please stop assembly immediately and contact us.
- Please assemble the item on a spacious surface and do not place the unwrapped product directly on the ground to avoid product damage
- Please do not stand or sit on the wooden boards.
- Please wear gloves during assembly and/or disassembly to avoid scratches from any sharp edges.
- Please match the corresponding part and fitting based on the part number in the manual.
- If the part does not match the fitting, please check the part as specified in this manual.
- During assembly, first loosely align all screws with the corresponding pre-drilled holes and then tighten the screws one by one.
- Periodically inspect screw tightness while the product is in use. If necessary, tighten to ensure structural integrity.
- If you accidentally spill water or another liquid on the surface, immediately wipe clean with a dry towel.
- Please keep the product away from sharp, pointed objects and corrosive substances to prevent product damage.
- Please place this item on a level, solid ground during use.

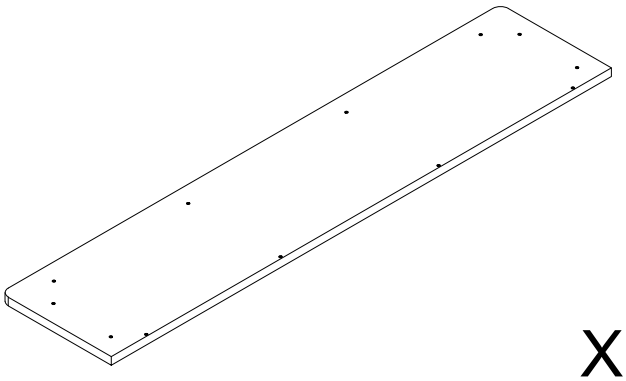

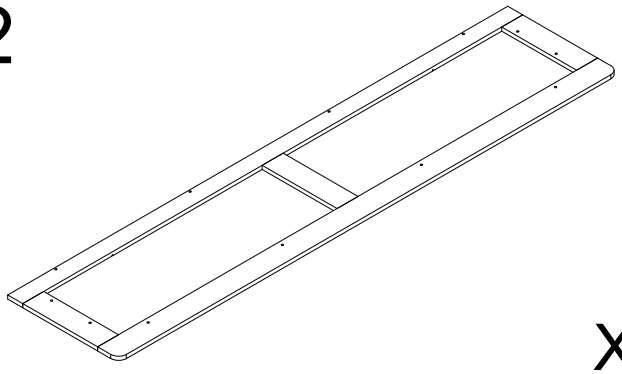

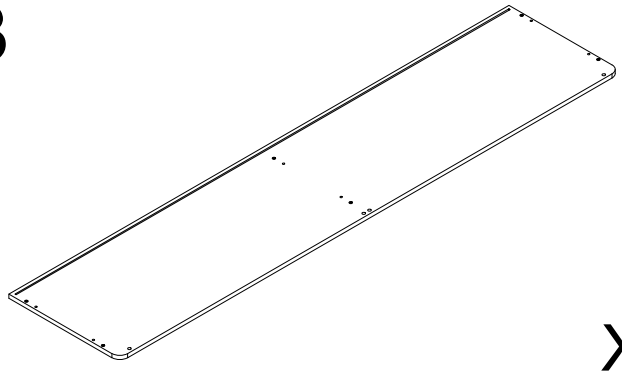

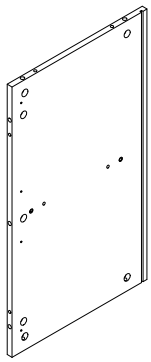

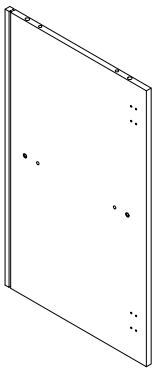

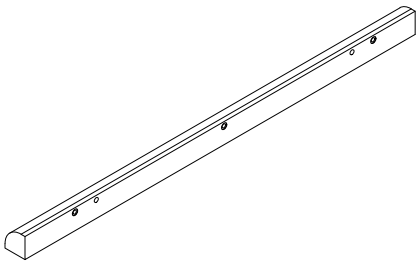

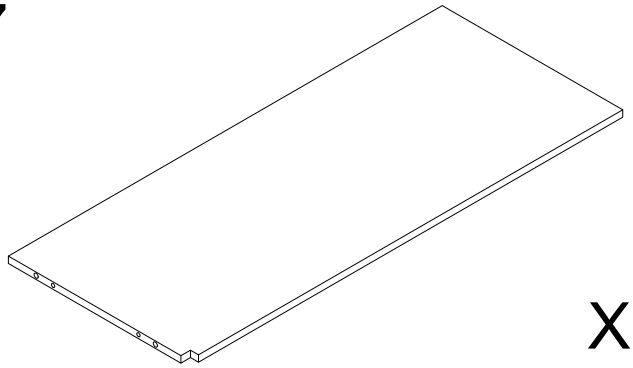

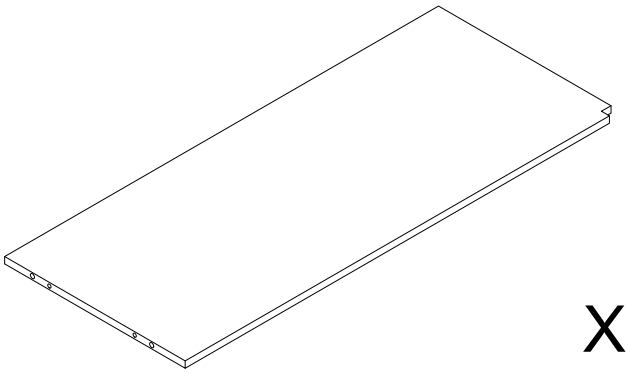

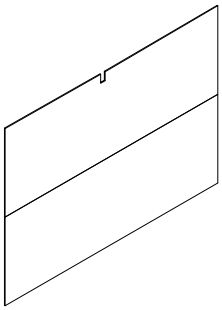

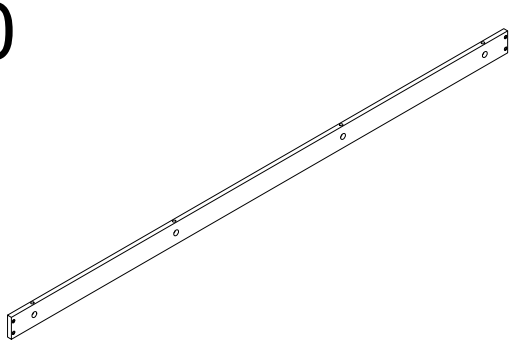

Warnings

- During assembly, keep all small parts out of the reach of children. It may be fatal if swallowed or inhaled.
- Children should not climb or play on the product to avoid falling over the furniture and causing serious injury
- To avoid the potential danger of suffocation, please keep all parchment and packaging (film, plastic bags, foam, etc.) away from babies and children.
- Keep sharp objects and corrosive items away from the product to avoid any damage or injury.
- Do not shake or move violently during use to avoid tipping over the product

INSTALLING THE CAM LOCK

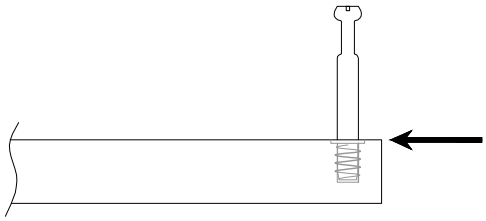

1

Do not over tighten!

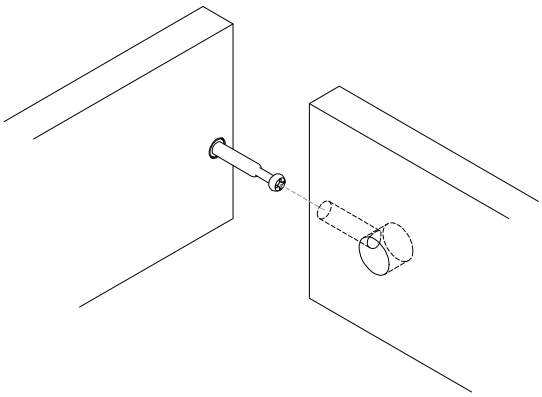

The base of the Cam Screw should be flush with the panel.

2

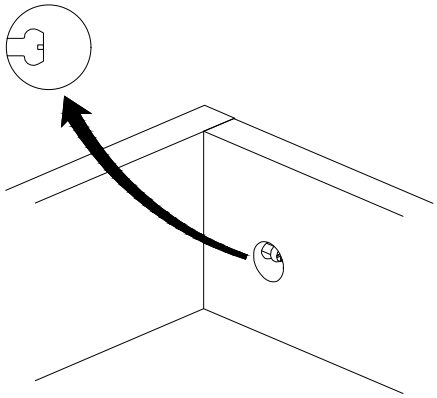

Screw the Cam Screw into the pre-threaded hole. Tighten with a screwdriver until snug.

3

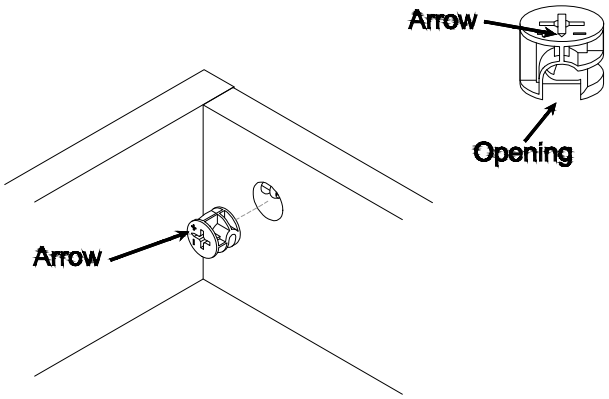

Connect the panels. Insert the Cam Screw into the small hole in the adjoining panel.

4

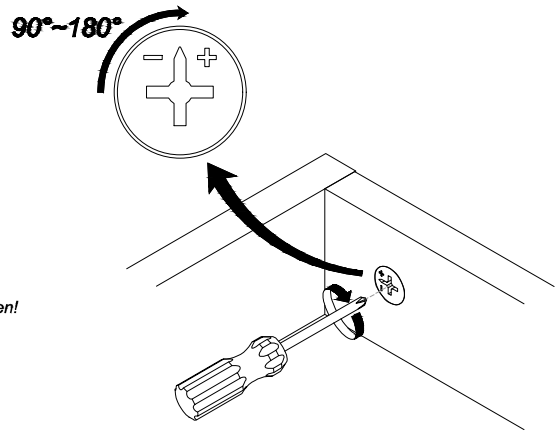

The head of the Cam Screw should be visible through the large hole.

5

Insert the Cam Lock into the large hole. Make sure the arrow and the opening in the Cam Lock are facing the Cam Screw.

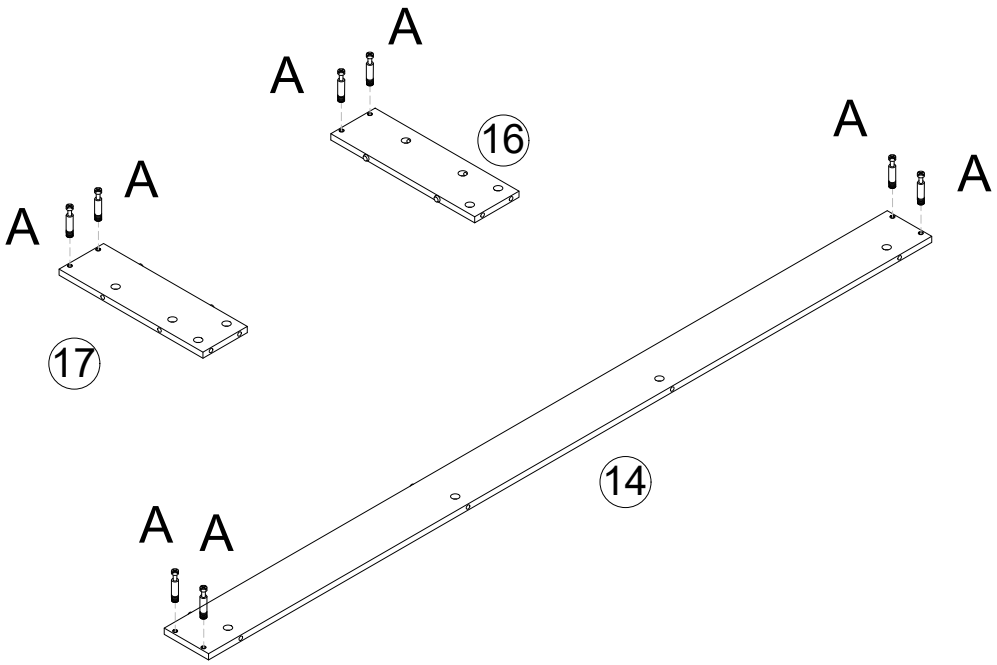

6

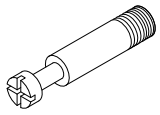

Do not over tighten!

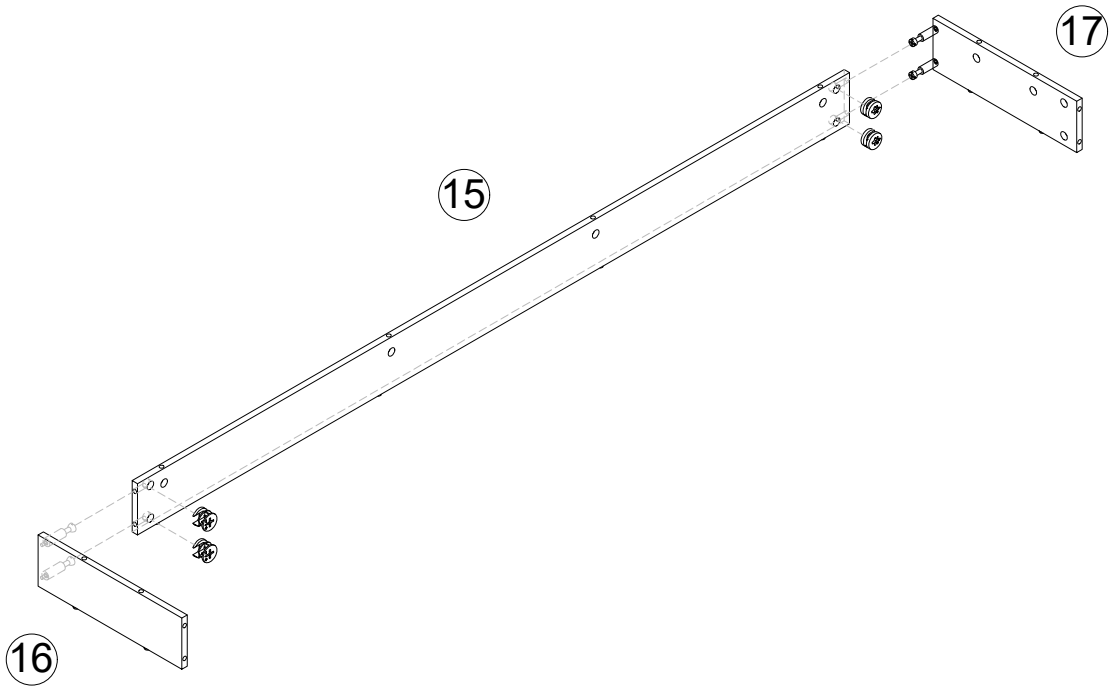

Using a screwdriver, turn the Cam Lock at least 90° clockwise to lock the two panels firmly together
