Required Tools / Outils requis / Herramientas necesarias

Caution

Do not over tighten any screw. The last few turns of each screw should be done very slowly or by hand.

Attention

Évitez de trop serrer les vis. Ralentissez la vitesse de la foreuse pour les derniers deux tours de vis ou vissez-les lentement à la main.

Precaución

No apriete los tornillos demasiado. Las últimas vueltas de cada tornillo deben hacerse muy lentamente o con la mano.
