

APEX™ SERIES ADJUSTABLE HEIGHT STOOL

MADE BY  MARCO™

DESCRIPTION

The Apex series adjustable stool has the same modern and ergonomic design as the stacking chair with the addition of adjustable leg height providing the perfect height adjustment required. The patented seat shape is contoured to provide maximum comfort throughout the day. The seat has a contoured back that is shaped and angled for sitting upright or in a slightly reclined position. The front edge of the seat is swept downward for productive, over the desk task work. The stylish shape allows freedom of movement, functional support, and a great value.

FEATURES

- Available leg height from 24-28 inches
- Brackets are welded to underside of frame for added strength
- Legs are constructed of 1-1/8" tubular steel and come in chrome finish only
- Sturdy foot rest for added comfort
- Nickel-plated, self-leveling nylon glides that reduce scratching and marring on school floors along with built-in cushions for noise reduction.
