Tree Lamp

Thank you for purchasing this prelit tree. Please read the instructions and warnings carefully before use to ensure safe and satisfactory operation of this product.

Instructions for use

FOR INDOOR AND OUTDOOR USE (during the festive season, parties)

Includes a low-voltage transformer.
Non-replaceable bulbs.
IP44

1) Remove the tree from the package before use.
2) The light set can only be connected to the transformer, which is enclosed in the box.
3) The transformer is suitable for indoor and outdoor use.
4) Ensure that the power source is the same as the specified power.
5) Position the cable so it does not pose a trip hazard.
6) Avoid any damage to the isolation of the wiring.

Warnings!

1) Do not connect the light set to the supply while it is still in the packaging.
2) Do not connect this light set electrically to another light set.
3) The power cord of the light set cannot be replaced; if the cord is damaged the light set should be destroyed.
4) Always disconnect set overnight or if unattended.
5) Do not cover the transformer.
6) Transformer can be located indoors and outdoors.

This symbol  indicates that this product should not be treated as normal household waste and it should be recycled.

MANUFACTURER : THE JIU AND FENG TECHNOLOGY LIMITED
MANUFACTURER ADDRESS : EAST SUN INDUSTRIAL CENTRE NO.
16 SHING YIP STREET KOWLOON
HONG KONG
E-mail : info@serviceprohelp.com

Assembly instructions

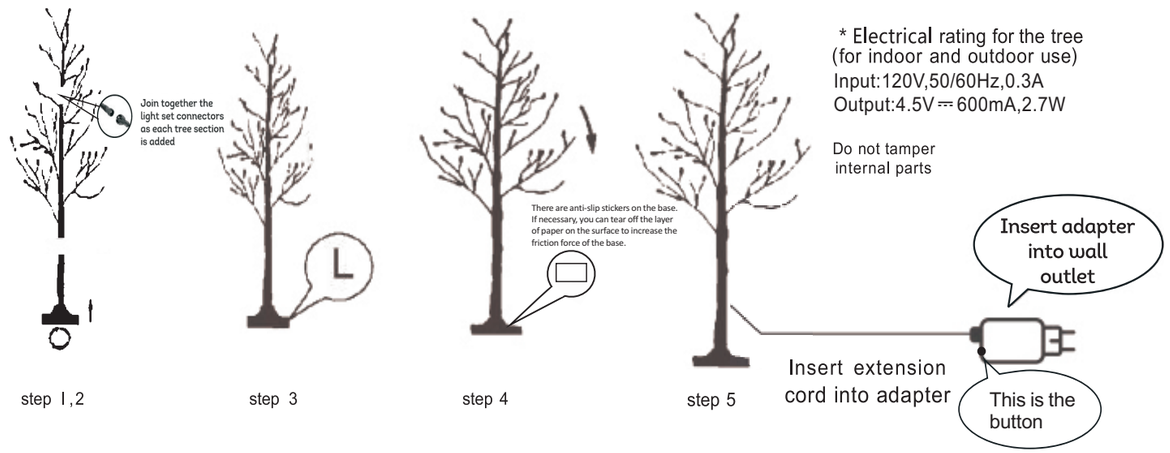

Remove all packaging before setting up:

1. Carefully insert the bottom section of the tree into the hole on the base (step 1 and 2).
2. Screw clockwise until the base is securely attached to the trunk(step 1 and 2).
3. In case of outdoor use the tree can be secured to the ground by placing the 4 L-shaped pegs on each corner of the tree base (step 3).
4. After fixing the tree to the ground gently shape the branches (step 4).
5. Untie the lead cable and connect the lead cable to the transformer and plug it into an indoor socket. Press the button on the transformer. When the button lights up to indicate the timer is on, will automatically switch off after 6 hours.
