Cleaning

For the rattan frame, use a damp cloth to clean off dust, dirt, or stains.
Avoid using harsh chemicals, abrasive cleaners, or scrubbers.
For the cushions and pillows, follow the care instructions on the covers.
Wash removable covers in cold water, and for non-removable covers, spot clean with mild soap and water.

Storage

If the sofa set is not in use for extended periods, cover the furniture or store it indoors in a dry, cool location to prevent damage from weather or dirt.

Inspection:

Regularly check the furniture for any loose parts, wear, or damage. Tighten screws and bolts as needed, and replace any damaged components promptly.
