Base Type: G9

Light Source Included: No

Voltage: 120VAC

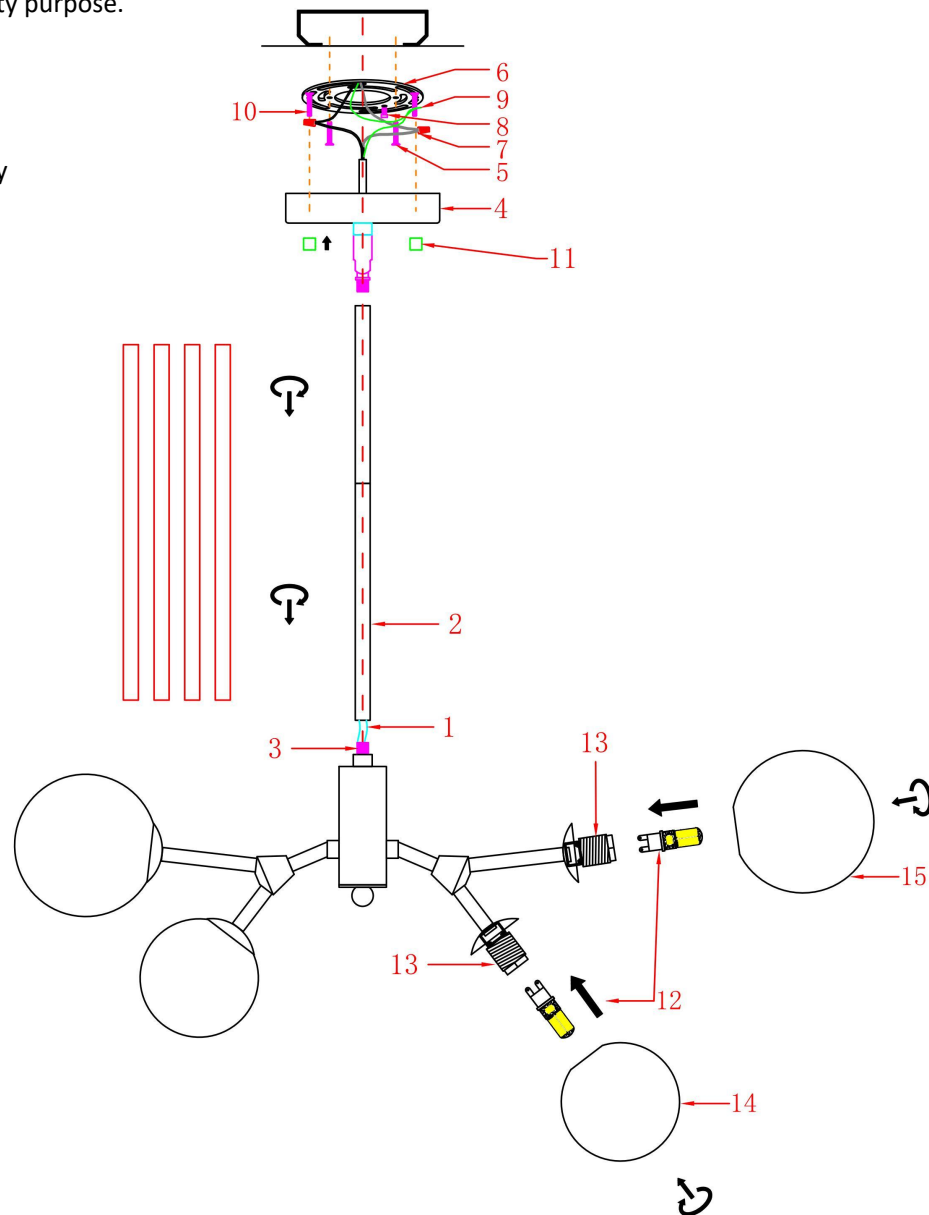

Wattage: 25W

## Package includes

1 x Chandelier Light

1 x Accessories Kit

1 x User's Manual

## Installation Instructions

A: Thread the main wire (1) through the hanging rods (2), then secure them to the threaded (3). Pass the main wire (1) through the ceiling plate (4) and secure it to the hanging rods (2).

B: Secure the mounting plate (6) to the junction box using the provided mounting plate screws (5).

C: Connect the live wire of the main wire (1) to the live wire in the junction box using the wiring cap (7). Also, connect the neutral wire of the main wire (1) to the neutral wire in the junction box using the wiring cap (7). Be careful not to expose the wire to prevent leakage. Use the green screw (8) to secure the ground wire (9) and the external ground wire to the mounting plate (6).

D: Pass the mounting plate studs (10) through the two small holes on the ceiling plate (4), then tighten the cap nuts (11) to secure the lamp. Install the light source (12) into the socket (13).

E: Screw the 4.7-inch large glass shades (15) and the 3.9-inch small glass shades (14) onto the socket (13).

**Note:** please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
